Introductory

We present herewith "Westmoreland Towns in the World War."

This work is to commemorate the part of local towns in the winning of the Great War, and we trust that it will meet with the approval of all who may review its pages.

Authentic war records and carefully selected photographs, such as appear in this book, will form the most valuable data concerning the history of the days of 1917 and 1918. The canvass was made by an experienced force of representatives and no expense was spared to make the work as complete and accurate as possible. Whatever may be lacking comes not from want of honest endeavor on our part.

No attempt has been made to glorify one name at the expense of another. By design, all have been treated as nearly as possible in the same way, a fact that may possibly be appreciated more sincerely by the service men themselves than by any others. We trust that this history will be loved by the children in the days to come, because it pictures fathers, brothers, uncles and cousins who gave their services to our country in time of need.

We extend our sincere thanks to the business men and citizens of the communities represented in this work who have shown their appreciation of the work by their patronage, also to those who so courteously assisted our representatives in collecting the information.

We offer our book believing that it serves a useful purpose. We trust that it will be received in the same spirit in which it was compiled.

DEDICATION

By ROBERT C. SHAW

EARLY in the history of America the soil of what is now Westmoreland County was drenched in the blood of the white man at the Battle of Bushy Run—the most decisive Indian battle in the history of the Western Continent. Here the Red Man's power was broken forever. Never since then has Westmoreland County's patriotism wavered for a moment. She has been an active participant in every contest where the rights of a free people were to be defended.

¶ Her spirit of devotion culminates in periods of extreme crisis as has been evidenced in the recent World War. Never did the fire of patriotism burn more brightly; never was the spirit of sacrifice and service more pronounced.

¶ To the young men of Westmoreland County who not only brought imperishable fame to their own deeds of valor and immortalized the manhood of our nation, but who made it possible for those who remained at home to consecrate their services to the cause of freedom, this work is dedicated.

PRESIDENT WOODROW WILSON

America's War Aims

As stated by President Wilson in his message to Congress, April 2, 1917, recommending a declaration of war on Germany

---

We are accepting this challenge of hostile purpose because we know that in such a Government, following such methods, we can never have a friend; and that in the presence of its organized power, always lying in wait to accomplish we know not what purpose, there can be no assured security for the democratic Governments of the world. We are now about to accept the gage of battle with this natural foe to liberty, and shall, if necessary, spend the whole force of the Nation to check and nullify its pretensions and its power. We are glad now that we see the facts with no veil of false pretense about them to fight thus for the ultimate peace of the world and for the liberation of its peoples, the German peoples included; for the rights of nations great and small, and the privilege of men everywhere to choose their way of life and of obedience. The world must be made safe for democracy. Its peace must be planted upon the tested foundations of political liberty. We have no selfish ends to serve. We desire no conquests, no dominion. We seek no indemnities for ourselves, no material compensation for the sacrifices we shall freely make. We are but one of the champions of the rights of mankind. We shall be satisfied when those rights have been made as secure as the faith and the freedom of nations can make them.....But the right is more precious than peace, and we shall fight for the things which we have always carried nearest our hearts—for democracy, for the right of those who submit to authority to have a voice in their own Governments, for the right and liberties of small nations, for a universal dominion of rights by such a concert of free peoples as shall bring peace and safety to all nations and make the world itself at last free.

GENERAL JOHN J. PERSHING

The American Spirit

General Pershing's charge to the U. S. Expeditionary Forces in France

You are here to expel an invading enemy from France. Remember also, that you are here to lift a shield above the poor and weak. You will be helpful therefore to refugees and to the aged. You will be most courteous to all women. You will never have an evil thought toward any young girl. It is best therefore to eschew the use of all wines and liquors. Be gentle and tender to all children. FEAR GOD. Fight Bravely. Honor Your Country.

God have you in his keeping.

"PERSHING"

Facts and Figures of National Interest

February 3, 1917. United States severed diplomatic relations with Germany; Bernstorf dismissed.

April 6, 1917. United States declared war on Germany.

June 5, 1917. Registration of all men between twenty-one and thirty-one years of age.

June 26, 1917. First American troops arrived in France.

July 20, 1917. Drawing at Washington of names for first army under Selective Service System.

November 9, 1918. Kaiser Wilhelm abdicates.

November 10, 1918. Former Kaiser Wilhelm and his eldest son, Frederich Wilhelm, flee to Holland to escape widespread revolution throughout Germany.

November 11, 1918. At 11 a. m. the armistice which had been signed by the German plenipotentiaries took effect and fighting in the Great War ceased. American flag hoisted on Sedan front.

June 28, 1919. Peace pact signed.

THE GREATEST OF ALL WARS—This, the most frightful of wars, was fought out at a cost of approximately $249,000,000,000 and 10,000,000 lives. In the following table is shown the men in arms, the lives lost, and the total casualties of the leading nations involved in the war. The totals of the United States, Great Britain, Italy and Germany are official. The others are from unofficial returns.

	Men in Arms	Lives Lost	Total Casualties
United States	3,764,700	58,478	262,723
Great Britain	7,500,000	658,665	3,049,991
France	6,000,000	1,100,000	4,000,000
Italy	5,000,000	500,000	2,000,000
Russia	14,000,000	3,500,000	5,000,000
Belgium	350,000	50,000	300,000
Servia	300,000	150,000	200,000
Roumania	600,000	200,000	300,000
Germany	11,000,000	1,580,000	4,000,000
Austria-Hungary	7,500,000	2,000,000	4,500,000
Turkey	1,500,000	250,000	750,000
Bulgaria	1,000,000	50,000	200,000
Totals	58,514,700	10,097,143	24,562,714

At such a frightful cost was the world made safe for democracy. It was a struggle between autocracy and democracy, and the latter was victorious. It was the greatest war in the history of the world, no matter from what angle it was viewed.

ESTIMATED COST IN MONEY

The Entente Allies		The Central Powers	
Russia	$30,000,000,000	Germany	$45,000,000,000
Britain	52,000,000,000	Austria-Hungary	25,000,000,000
France	32,000,000,000	Turkey	5,000,000,000
United States	40,000,000,000	Bulgaria	2,000,000,000
Italy	12,000,000,000		
Roumania	3,000,000,000		
Serbia	3,000,000,000		
	$172,000,000,000		$77,000,000,000

Grand total of estimated cost in money, $249,000,000,000.

The following table compares the cost of the greater wars:

Napoleonic Wars, 1793-1815	$ 6,250,000,000
Crimean War, 1853-1856	1,700,000,000
American Civil War, 1861-1865	8,000,000,000
Franco-Prussian War, 1870-1871	3,500,000,000
South African War, 1900-1902	1,250,000,000
Russo-Japanese War, 1904-1905	2,500,000,000
The World War, 1914-1918	249,000,000,000

The following tabulation gives a list of the twenty-eight nations and their populations which were engaged in the war before its close:

Countries	Population	Countries	Population
United States	110,000,000	Italy	37,000,000
Austria-Hungary	50,000,000	Japan	54,000,000
Belgium	8,000,000	Liberia	2,000,000
Bulgaria	5,000,000	Montenegro	500,000
Brazil	23,000,000	Nicaragua	700,000
China	420,000,000	Panama	400,000
Costa Rica	425,000	Portugal	15,000,000
Cuba	2,500,000	Roumania	7,500,000
France	90,000,000	Russia	180,000,000
Guatemala	2,000,000	San Marino	10,000
Germany	67,000,000	Serbia	4,500,000
Great Britain	440,000,000	Siam	6,000,000
Greece	5,000,000	Turkey	42,000,000
Haiti	2,000,000		
Honduras	600,000	Total	1,575,135,000

For comparison with the above there is shown a list of the twenty-two nations and their populations which took no part in the war:

Countries	Poulation	Countries	Poulation
Abyssinia	8,000,000	Norway	2,500,000
Afghanistan	6,000,000	Paraguay	800,000
Argentina	8,000,000	Peru	4,500,000
Bolivia	2,500,000	Persia	9,000,000
Chile	5,000,000	Salvador	1,250,000
Colombia	5,000,000	Spain	20,000,000
Denmark	3,000,000	Sweden	6,000,000
Dominican Republic	710,000	Switzerland	3,750,000
Ecuador	1,500,000	Uruguay	1,250,000
Mexico	15,000,000	Venezuela	2,800,000
Nepal	4,000,000		
Holland	40,000,000	Total	150,560,000

Over four million Americans were under arms when the armistice was signed. Of these, more than two million were upon the fields of France and Italy.

Canada sent approximately 800,000 men overseas and sustained casualties amounting to 220,182. Of these 60,383 were killed or died from disease, 155,790 were wounded and 4,000 were missing or prisoners.

Deserters from the German army who fled to Switzerland, Holland, and other neutral countries while the war was in progress numbered 100,000, a record unequalled by the army of any other country, unless, perhaps, that of Austria-Hungary. These figures do not take into consideration the large number of Germans on the western front who, by taking advantage of the first opportunity to surrender to the Allied troops as prisoners of war, proved themselves to be mere deserters. If the whole record could be compiled it would show a wide and deep yellow streak in the German army.

The Selective Service Law, in force during the war, was in no way similar to the "Draft Law" of the Civil War. The Selective Service system prohibited the acceptance of substitutes for men selected for military duty. The obligation to render military service was personal and could not be transferred.

Nine soldiers of the American Expeditionary force were hanged and one was shot for criminal offenses during the war. Two of the hangings were for murder, seven men were hanged for rape, of whom six were negroes. There was a single execution for desertion.

More than 6,000 members of the American Expeditionary force received decorations from General Pershing. Medals of honor, the highest award provided by this government, were conferred on 78, distinguished service crosses on 5,271, and distinguished service medals on 941. These figures do not include decorations bestowed through the War department.

One hundred and ninety-eight deaths among the 19,877 American Red Cross nurses who served during the war, represents the contribution in human life of American womanhood toward winning the war. In the American Red Cross building in Washington, a beautiful service flag commemorates their sacrifice. A single blue star represents the 19,877 Red Cross nurses in active war duty, no matter where stationed.

Officers, enlisted men, field clerks and members of the Army Nurse Corps, who served on active duty in the Army of the United States at any time between April 6, 1917, and November 11, 1918, are entitled to wear the Victory Button. The button is silver for those wounded in action and bronze for all others.

Design for the "Victory Medal" to be given to every American who took part in the world war was approved, November 14, 1919, by the Secretary of War. The medal will be of bronze about the size of a silver dollar. On the one side will be a figure of Victory with the description, "The Great War of Civilization," and on the reverse side the names of the Allied and Associated Powers.

The law providing for the payment of a bonus of $60.00 to every discharged soldier, sailor and marine, including officers, was adopted February 24, 1919.

The government's plan of insurance and compensation, with its provision covering disability, was devised to take the place of a pension system. Service men can obtain insurance from the government at a much lower rate than a civilian could possibly obtain it. This is made possible because the government charges the policyholders nothing for administration, and bears the extra mortality costs. Government insurance is absolutely free from all restrictions as to travel, residence, or occupation. Under a recent ruling, discharged soldiers, sailors and marines, who have dropped or cancelled their insurance, may reinstate it within eighteen months after discharge without paying the back premiums. If the policyholder is unable to keep the full amount of War Risk Insurance he carried while in service, he may reinstate part of it from $1,000 up to $10,000, in multiples of $500. Reductions may be made in multiples of $500 to any amount, but not less than $1,000.

A red chevron, point up, midway between the elbow and the shoulder, on the left sleeve denotes that a service man has been honorably discharged.

When war was declared Company I of Greensburg was recruited to 150 men and 3 officers. In a few weeks orders were issued to discharge all married men and 48 names were accordingly dropped from the rolls. Seventy eight men were examined before the company was again recruited to full strength. Then came the call into Federal service of all National Guard units and the company was mobilized on July 15, 1917.

Company I, 10th Pa. Inf. N. G. was made up of men living in and about Greensburg, Pa., regimental headquarters being at Greensburg and Company I, 3rd Pa Inf. N. G. was made up of men from Philadelphia, Pa., and nearby towns. The Pennsylvania National Guard was reorganized as the Twenty-eigth army division at Camp Hancock, Augusta, Geo[illegible]on October 12, 1917, and it was there that Company I of the old "Fighting Tenth" and Company I of the 3d Pa. Inf. N. G. were merged forming the One Hundred Tenth U. S. Infantry under command of Lieut. Col Henry Coulter and, later, Col George Kemp.

On September 7, 1917, the company left Greensburg and arrived at Camp Hancock on September 9th. Within a few weeks the reorganization was effected and the outfit was given the new standard of company and regimental numbers. From October 2, 1917 until April 24, 1918 the company carried out an intensive drill schedule and on this latter date entrained for Camp Merritt, New Jersey. Here the organization was inspected and equipped for overseas service and, on May 2, 1918, arrived at Pier 61 at the foot of 26th Street, New York City where it boarded the transport Ausonia. The boat left on the morning of May 3rd and docked at Liverpool, England, on May 10th. The company proceeded to Dover by train and crossed the Channel to Calais, convoyed by submarine chasers, aeroplanes and dirigible baloons. Here the company received English rifles and gas masks and commenced final intensive training back of the British lines.

The Twenty eighth Division was engaged in the Champagne Marne defensive; the Aisne Marne offensive; the Fismes sector, the Oise-Aisne offensive; the Meuse-Argonne offensive, and the Thiacourt sector. Its total casualties were 15,433, ranking first among all national guard divisions and only exceeded in the entire American army by the First and Second Divisions of regulars. The division was six times mentioned by the commanding general of the Sixth French army of which it was a part, and once by General Mangin of the Tenth French army. It was first cited by General Pershing on August 28, 1918, and at divers times thereafter by its American corps and army commanders. After the armistice the Twenty eighth Division was placed in the Army of Occupation until January 13, 1919. Relieved of this duty, it moved back into France to prepare to embark for home.

Company I embarked for the United States the latter part of April 1919, and landed at Philadelphia during the second week in May. The division went to Camp Dix, New Jersey, for demobilization, returning to Philadelphia May 15 for a final parade and review. The company was officially discharged from service May 23, 1919, twenty two months from the time of muster at Greensburg and with one year's overseas service.

Chapter I.

GREENSBURG DISTRICT. The pictures and military biographies shown in this chapter are those of service men from Greensburg, South Greensburg, Southeast Greensburg, Southwest Greensburg, Carbon, Swede Hill and Crows Nest.

The story of the Greensburg district's part in the Great War is a big subject and the record is one to be proud of as long as memory lingers on the momentous days of 1917 and 1918.

Her soldiers, sailors and marines kept untarnished a record of valor during the World War that was handed down to them by Revolutionary and Civil War forbears. Participating in the first American battles and being on the front line when the armistice was signed, the boys from Greensburg played no small part in shattering Germany's dream of World dominion.

With the sounding of the bugle which declared a state of war, the social life of the entire community gave way to more serious things and, as man after man left his home and friends to give what was asked in behalf of his country, those at home were busy doing war work. Men, women and children all had one purpose in view—that of helping to win the war—and they worked with unselfish sacrifices as one large family. Comradeship in so great a cause can perhaps never come to them again, but pride in bearing so worthily the obligations of sacrifice and service will be brighter still ten and twenty years from now when they look back upon the days when all the institutions of freedom in the world were in such imminent peril.

Among the most remarkable and useful developments of the war has been the growth and broadening of the fields of endeavor of various agencies, some of them expressly organized to meet war conditions and all of them directed with a view to sending our troops overseas clean and sound in mind and body, and to helping in the conduct of the war. These organizations, individually and collectively, have been a great force for building up morale, and, hence, for winning the war.

The AMERICAN RED CROSS in the Greensburg district accomplished a great work during the nineteen months of the war. The main work rooms were located in the Y. M. C. A. building and were occupied free of rent. A wonderful machine was developed, embodying much of the best ability of the people of the community. Not only did the organization make a wonderful showing in the production of Red Cross garments and supplies and the caring for the families and dependents of men in the service, but in all campaigns for membership, funds, collection of used clothing etc., it more than reached its quota. There were periods when the most serious Red Cross problem was how to supply the women with enough material to satisfy their desire for work. Had there been a strike, it would have been for longer hours and harder work. The men had gone to war, or were preparing to go, and the women resolved to go with them as far as they could. They rolled their hearts and hopes into bandages, and knitted their loyalty into socks and sweaters, and stitched into refugee garments their compassion for the women and children of friendly nations ravaged by war. The local branch of the Red Cross had nine auxiliaries helping in the production of garments, knitted articles and surgical dressings. The original officers of the Greensburg brainch were John P. Donahoe, chairman; Mrs. Anna M. Ogden, vice-chairman; Miss Louise Brown, secretary; and Miss Margaretta Gross, treasurer. Mr. Wm. A. Coulter was chairman of the Finance committee and Mr. Elmer E. Lyon was chairman of the Publicity committee. On account of resignations the offices were filled as follows: Mrs. Ogden, chairman; Miss Emma McConnell, secretary and Miss Margaret Coulter, treasurer. The sewing room was in charge of Mrs. H. H. Fisher and the cutting room was in charge of Mrs. J. A. McCurdy. Inspection and packing were directed by Mrs. J. L. Cote and the surgical dressings were in charge of Miss Margaret Coulter and Miss Helen Murdock. The records show that the Greensburg branch of the Red Cross is credited with producing 25,193 garments from the sewing room; 6,882 knitted articles were made and the number of surgical dressings was 88,361. Junior auxiliary No. 1 supplied Company "I" with comfort kits and auxiliary No. 2 furnished the unit with sweaters. Although not authorized by national headquarters a special comfort kit committee was formed and furnished 977 kits to selected service men; many letters were received from soldiers in cantonments and from overseas stating that these kits were the best ones seen in their travels. The amount of work done by the Greensburg branch of the Red Cross was enormous and the officials were warmly commended from headquarters for their splendid output. That the quality of the work was of the highest is attested to by the fact that the Greensburg branch was called upon to furnish many specimen garments to be used in instructing workers all over the country.

Upon the announcement of the declaration of war, the National headquarters of the YOUNG MEN'S CHRISTIAN ASSOCIATION pledged to President Wilson and to the Government the services of the organization including thousands of trained secretaries and volunteer workers. The management and membership of the Greensburg Y. M. C. A., finding itself in harmony with the step taken by the national office, sought by every resource at their command to make the Association in this community function for the promotion of the health and general well-being of the service men and to aid movements whose purpose was to promote the interests of the Government and our Allies. When the several calls were issued from the national office at New York City for the gathering of representatives of local Associations, the Greensburg Association was always represented in the conferences. In compliance with a request from the State Campaign Director, the local Board of Directors permitted the General Secretary to devote his time in the capacity of District Campaign Director for the arganization of the counties of Westmoreland, Indiana, and Fayette which composed District No. 3 in the three nation-wide campaigns conducted to finance the welfare work of the Y. M. C. A. and that of the United Welfare agencies in the cantonments in this country and the work overseas. These campaigns were the means by which a total of $617,029.00 was raised in subscriptions for the above named causes. When units of the 110th Regiment of U. S. Infantry were assembled in Greensburg preparatory to their entrainment for camp, the various facilities of the Y. M. C. A., such as pool and billiards, gymnasium, lobby, reading-rooms, etc., were put at their disposal. This policy toward service men in permitting the free use of the privileges was consistently carried out during the war and the demobilization period. Men in uniform passing through the city, men on troop trains, and men home on furloughs, made use of and appreciated this service. After the signing of the armistice, the directors of the local Association authorized the giving free to all local demobilized men, of a six months' membership in the organization and, up to date, some 500 discharged service men have availed themselves of this privilege. Through the co-operation of the National War Work Council of the Y. M. C. A., the local Association was enabled to add to its force a special Army Work Secretary who gave his full time to the service of men back from war. All necessary resources of the Association were at the command of this secretary. Providing meals and lodgings, recreation and entertainment, writing letters, obtaining bonus, travel-allowance, back pay, etc., were some of the duties of this

secretary. Very early in the war period, the local branch of the American Red Cross requested and received free of charge the use of the second floor of the Y. M. C. A. building for its work rooms and surgical dressings. On numerous occasions the Red Cross, Liberty Loan committee and other patriotic organizations used the assembly rooms, lobby, director's room and other parts of the building for meetings. The Association was always represented in all drives, campaigns and patriotic movements. The officers of the Greensburg Young Men's Christian Association during the war were C. E. Whitten, president; M. C. Keck, vice-president; George H. Francis, recording secretary; John D. Miller, treasurer; W. J. Graef, general secretary; F. M. Schantz, membership and boys' secretary; O. Shannon, physical director. Henry S. McIntyre was the special Army secretary located at the local Association and the "Y" was represented in the army by eleven men from the Greensburg membership; six of these served in cantonments in the United States and five men were engaged in Association work overseas.

In considering the work of The Salvation Army it should not be forgotten that its activities were not primarily in new fields of endeavor and that the Army was perhaps the only relief organization in war work which could command trained and experienced workers from the outset. The success of its work, unexpected in its completeness, has been the cause of much surprise to both service men and civilians from whom lavish praise indeed has been accorded. To help the helpless and feed the hungry has long been one of its prime objectives. The Army embarked on no new undertaking but confined itself simply to its old lines of gospel and food. In France it was more food than gospel. Soup and salvation went hand in hand to the trenches of Europe as they went first to the slums of London, to the cities of America, and to every corner of the globe. It was the sympathetic and harmonious relationship between the organization and the boys in the field and the families left at home that enabled the Army to push its work to whatever happy results were attained. The Salvation Army had no great amount of capital with which to conduct its work and endeavored to act as a link between home and soldier. Although the employed force of the Salvation Army in Greensburg during the war was a small one it was enabled, through the volunteer assistance of the citizens of the community, to carry on much good work. The local organization, with headquarters at 306 West Third Street, had jurisdiction of not only the Greensburg district but also the major portion of Westmoreland County. It took an active part in every drive and campaign and, at all times, some of its members were to be found at the Red Cross rooms assisting with knitting, surgical dressings, or other war work. For a time the organization had representatives occupying a hut on the courthouse sidewalk and, during the various campaigns, made and sold doughnuts to passersby and issued them freely to soldiers on the truck trains. The "doughnut factory" at the local headquarters was also in continuous operation and large quantities of doughnuts and chocolates were taken to soldiers on guard along the railroads near Greensburg. Thousands of the Army's famous doughnuts were made in Greensburg and shipped to soldiers, sailors and marines on duty at barracks in the Pittsburgh district. At the office headquarters on West Third street the Army asisted many stranded soldiers, not only by providing them with meals and lodgings but by buying them railroad tickets to their destination and furnishing pocket money. Two local members of the Salvation Army enlisted in the military service: Harry Lane, who was stationed with the Veterinary Corps at Camp Dodge, and Ralph Watts, who was killed in action in the spring of 1918 while serving in the British Army. During the war the local Salvation Army work was in charge of Ensign Mrs. E. J. Dunn; Lieutenant Jeannette Miller and Envoy Ethel Dunn. Under the direction of this small force the Corps did a noble part in all that it undertook.

The work of the Knights of Columbus has been a wonderful work and exceedingly well done. Not only was it beneficial to those whom the organization served but it was helpful and broadening to those who have taken part in it. During the war the Greensburg Council No. 1480 of the Knights of Columbus, with headquarters in Troutman's Hall on Main street, held frequent meetings and arranged for its part in answer to all calls for service. The executive officers were Ed. P. Doran, Grand Knight; John Costabile, Deputy Grand Knight; Jacob E. Bell, Financial Secretary; Roman J. Ivory, Recorder; John H. Scherrer, Treasurer; and P. F. Howard, Lecturer. The Council participated in the various drives and was active in the United War Work Campaigns. It sent a delegate to the meeting for state organization held in Philadelphia. The local Council became Auxiliary No. 3 of the Greensburg Chapter of the American Red Cross, every individual member having previously joined the organization. One of the first pieces of war work by the Knights of Columbus occurred in the fall of 1917 when it sent shipments of gifts of socks, tobacco, etc., to service men in the camps in this country and to those in France. By assessing its members, the Knights of Columbus made frequent financial contributions to many war work funds such as the Red Cross Ambulance Fund, the War Camp Funds, etc. In the Liberty Loan drives the Council appointed workers and in several campaigns voted to invest all surplus funds of the council in bonds. A committee was appointed to look after the families of members in the military service. This committee consisted of J. L. Kennedy, J. J. Joyce, John Kelley, C. C. Hays, and Thomas Gannon. Thirty-seven members of the local council enlisted in the military service, all of whom came through without serious injury. During their absence the organization paid all of their dues and insurance. At the time of Greensburg's "welcome home" in July 1919, the local council took an active part in providing treats to the service men. The purpose of the Knights of Columbus has been to help whenever and wherever it could in carrying on the war program at home and overseas.

The Local Board for Division No. 1 was composed of John P. Kilgore, chairman; Dr. Iden M. Porster and William S. Rial, all of Greensburg. Mr. Kilgore was the popular sheriff of Westmoreland County; Dr. Porster was a graduate of the medical school of the University of Pennsylvania and had practiced medicine and surgery for twenty years. Mr. Rial was county solicitor and had been practicing law at the Westmoreland County bar for over 16 years. The members of the Board, during the period of their service, were engaged early and late with the duties of the office, the performance of which could not be delegated to anyone else and for weeks and months at a time they often worked past the midnight hour. After the work had been systemized and after the Board obtained a definite idea of the Selective rules and regulations, it progressed with great rapidity. Frances J. Alpern was the Chief Clerk of the Board; Rebecca Kilgore was assistant Chief Clerk and Mary Sloan, clerk. To this force the government detailed Charles Hawk as a special service clerk. Much credit is due to the above clerical organization and to Mr. John Black, a volunteer worker, for without the efficient assistance of these persons the Board would have been unable to cope with the enormous task in all its details and ramifications. The Board had its office in the Court House. It exercised jurisdiction over Hempfield township and all the towns within the limits of that township. These towns were the boroughs of Greensburg, South Greensburg, Southwest Greensburg, Youngwood, Arona, Madison and Adamsburg. The Medical Board was composed of all the physicians living within the above area. The dean of the physicians was Dr. Lemuel Offutt, a man who for forty years had responded to the cry of sickness and distress. This noble citizen, one of the purest men who ever lived in the community and one of its best loved, passed away before the armistice was signed. The other members of the Medical Board were Drs. Thomas P. Cole, John J. Singer, John S. Anderson, F. R. Zahniser, Louis Wilson, Wm. M. Potts, L. C. L. Bailey, Walter M. Bortz, John C. Cope, C. C. Porter, W. M. Leatherman, E. M. Clifford, and W. E. Miller. 1667 registrants were examined.

Richard D. Laird was appointed as the Appeal Agent of the Board. The Local Board and the registrants were indebted to the Legal Advisory Board for assistance in filling out questionnaires. This Board was composed of Joseph A. McCurdy, G. B. Shaw, D. J. Snyder, C. Ward Eicher, Alex Eicher, Richard D. Laird, and C. E. Heller—all members of the Westmoreland County bar, and to Rev. Pratte, who acted as interpreter for the lawyers and also for the doctors of the Medical Advisory Board on examination days. The services of the members and helpers of the Legal Advisory Board and of the Medical Advisory Board were without money compensation but these gentlemen have the consciousness of having performed a public service and their only reward can be the recognition of the fact that no one could have done the work quite so well as they did it. The total number of inductions handled for registrants of the Local Board was 1031, and the men were entrained as follows: Camp Lee, 507; Camp Greenleaf, 229; Camp Forrest, 61; Fort Thomas, 27; Camp Wadsworth, 15; Camp Custer, 14; Camp Sherman, 13; Fort Oglethorpe, 8; Fort duPont, 6; Fort Slocum, 4; Camp Colt, 4; Camp Taylor, 4; Fort Hamilton, 4; Columbus Barracks, 3; Kelley Field, 3; Polish Alliance College, 2; Aerial School of Photography, 2; Camp Meigs, 1; Camp Dix, 1 and Vancouver Barracks, 1. In addition to the above, 104 men were enlisted in the Student's Army Training Corps and sent to various schools and colleges.

The Army and Navy Camp Committee gave much aid and comfort to officers and men who passed through Greensburg with truck trains. The object of the committee was to serve hot meals, to furnish lodging, to care for the sick and to supply any needed knitted articles and to generally aid officers and men of the motor supply and ammunition trains enroute overland from Detroit to Baltimore. With headquarters at the First Presbyterian Church, hot meals were served at any time a truck train chanced to arrive and many members of the convoys arriving at three or four o'clock in the morning found substantial food prepared by the women of the town. Beds and rest rooms were maintained at the State Armory. More than 10,000 service men were fed, aided and "mothered" by the committee. The treatment given the soldiers was one of the bright spots in their journey. This is evidenced by the receipt of hundreds of letters from boys in France expressing appreciation of the treatment accorded them during their stay in Greensburg. The officers of the committee were: Mrs. H. C. Beistel, State representative; Mrs. H. C. Painter, chairman; Mrs. D. F. Kilgore, 1st vice-chairman; Mrs. H. N. Yont, 2nd vice-chairman; Mrs. R. C. Weity, 3rd vice-chairman; Mrs. A. M. Wyant, treasurer; Mrs. J. W. Taylor, chairman of food supply and Mrs. C. C. Crowell, secretary.

In the Liberty Loans, the Greensburg district oversubscribed its quota in every drive. The organized campaigns that were conducted here between June 1917 and May 1919, furnish one of the most interesting and significant chapters in the history of Greater Greensburg. Each solicitor was given certain prospects to see and report upon, so that no one was overlooked. The success of the Loan drives is due to the untiring efforts of J. R. Eisaman who was county chairman and to the executive committee which was composed of J. B. Huff, W. S. Rial, Hon. John B. Head, W. S. Lane, H. E. Marker, C. L. Goodwin, R. H. Jamison and A. N. Pershing. F. B. Miller and E. A. Cremer were the publicity chairmen for the Greensburg district. A list of the workers follows: First Ward—A. E. Troutman, chairman; Alex Eicher, Leo Furtwangler, J. U. Kuhns, W. W. Jamison, A. D. Welty, Jr., E. M. Gross, B. R. Fulmer, Milo Black, S. G. Trout, B. W. Kerr, R. G. Armstrong, W. B. Lucas, William Fluke, J. Rappe Myers, Tony De May, Tony Roberts. Wagner, chairman; J. I. Cuttman and Charles Armbrust. The women did good work in all drives and rounded up many a stray dollar for Uncle Sam. The Woman's County Committee was headed by Mrs. Eleanor Huff, and Mrs. Joseph Wentling was chairman of the Woman's Committee in the Greensburg district. This record would not be complete without recognition of the activity of the Boy Scouts of America in the drives. The Scout organization was not permitted to sell bonds except during the last three days of each campaign and they were given the hard task of acting as "Gleaners after the Reapers." Some of the troops were without capable leadership, scoutmasters and other officials having entered the military service, but in spite of these handicaps a number of Scouts earned the Treasury Department Medal in the Liberty Loan drives. The record of how Greater Greensburg invested in bonds is as follows:

First Loan	672 subscribers.....	$1,326,700
Second Loan	1,977 subscribers.....	2,873,350
Third Loan	7,788 subscribers.....	2,303,850
Fourth Loan	16,527 subscribers.....	3,316,850
Victory Loan	5,662 subscribers.....	2,255,350

Company M of the old Fighting Tenth was mobilized in Mozart Hall, Latrobe Pa on July 15, 1917, and immediately established a camp at the athletic park. The local headquarters was named Camp Anderson and was maintained until the organization entrained for Camp Hancock, Augusta, Georgia, on September 7, 1917. The company arrived at Camp Hancock on September 10th and shortly afterwards the Pennsylvania National Guard was reorganized as the Twenty eighth army division and given the new standard of company and regimental numbers. The Tenth and Third regiments were merged into the One Hundred Tenth, under command of Lieut Col Henry Coulter and, later, Col George Kemp.

The organization left Camp Hancock on April 28, 1918, and entrained for Camp Merritt. After a few days of strenuous activity at Camp Merritt, followed by a strict inspection of all equipment, the outfit sailed from New York on the British steamship "Ausonia" on May 2nd and landed at Liverpool on May 16th. The next day, the company crossed the Channel and set foot on French soil at Calais and Company M went into training with the 34th British Division on the Flanders front.

The Twenty eighth Division was engaged in the Champagne Marne defensive, the Aisne Marne offensive, the Lismes sector, the Oise Aisne offensive, the Meuse Argonne offensive, and the Luxemburg sector. Its total casualties were 15,433, ranking first among all national guard divisions and only exceeded in the entire American army by the First and Second Divisions of regulars. The division was six times mentioned by the commanding general of the Sixth French army of which it was a part, and once by General Mangin of the Tenth French army. It was lauded by General Pershing on August 28, 1918, and at divers times thereafter by the American corps and army commanders.

Company M reached St. Nazaire on April 19, 1919 and was assigned to the U. S. S. Santa Olivia, sailing from there on April 28th and landing at Philadelphia on May 11th. The division went to Camp Dix, New Jersey, for demobilization, returning to Philadelphia May 15th for a final parade and review. The men were officially discharged from service May 22, 1919, twenty two months from the time of muster at Latrobe.

Chapter II.

LATROBE DISTRICT. The pictures and military biographies shown in this chapter are those of service men from Latrobe, Youngstown, Baggley, Beatty, Hostetter, Kingston, Loyalhanna, Lloydsville, Marguerite, Pleasant Unity, Snydertown, Whitney, Lycippus, Mutual and Trauger.

During the nineteen months of the war, the people living in the Latrobe district fulfilled every patriotic duty. The calls for men or money were always filled. Many of the young men from this district enlisted and left home as members of Company "M" of the One Hundred Tenth Infantry and the Selective Service Board located at Latrobe handled a large number of special inductions for registered men from Latrobe and surrounding towns.

The RED CROSS chapter played an important part in the home work of the district, just as it did throughout the county and nation. Organized early in the war, the loyal members rolled up a record of which any community might well be proud. In amount of finished articles of comfort and service to the men across the seas, the Red Cross workers of this district stood among the first. The headquarters of the chapter were in the city hall, with an office on the first floor and work rooms on the second floor. As the work progressed, rooms were secured in the first ward public school building and in the high school building. In addition to this, the entire third floor of the Mens' Club was also turned over for Red Cross work. The guiding hands of the chapter were Thos. M. Whiteman and G. E. Anderson, chairmen; Mrs. Jno. M. Howard, vice chairman; Josephine Barnett and Mrs. Isabel C. Donnley, secretaries; Ralph Conrad and Joseph A. Cesare, treasurers. The Executive Committee were Mrs. Thos. B. Anderson, chairman; Mrs. C. D. Fuller, vice chairman; Mrs. J. Z. Hughes, Mrs. Emma Breanon, Mrs. J. E. Heck, G. E. Anderson, Miss Alice Loder and Miss Mary P. Howard. The officers of the Home Service Department were Roy C. McKenna, chairman; Mary P. Howard, secretary; Rev. Father James Healy, Frank Garrett, John Woods, Mrs. W. Saxman, Mrs. Ellen Harkness, Mrs. Isabel Donnley. Junior Red Cross: Mrs. Anna Ulerich, chairman; Mary P. Howard, secretary; Russell Sipe, treasurer; Miss Irene Blank and Prof. R. W. Steele. The chapter is credited with producing 16,446 finished garments, 18,311 knitted articles and 32,958 surgical dressings.

The LIBERTY LOANS were, in each instance, oversubscribed. The campaigns were conducted under the leadership of I. W. Shallenberger and Joseph E. Barnett. The amounts credited to Latrobe are as follows: First loan, $345,500; Second loan, $998,200; Third loan, $1,055,700; Fourth loan, $1,574,350; Fifth loan, $951,000. The Women's Liberty Loan Committee for this district was in charge of the following chairmen: Mrs. F. M. Robb, Mrs. Henry Huffman, Mrs. W. C. Keck, Miss Carrie Schell, Mrs. T. M. Bigley, Mrs. George Eustis, Miss Belle Patton and Mrs. M. Quinn. In Pleasant Unity, the Liberty Loan drives were directed by J. B. Walter and Mrs. John P. Chambers with the following results: Second loan, $92,150; Third loan, $140,550; Fourth loan, $142,900; Fifth loan, $58,000.

The amount raised in the first Y. M. C. A. drive for war work was $10,866.80, the quota assigned being $5,000. In the UNITED WAR WORK CAMPAIGN the quota was $40,000 and the amount subscribed was $67,665.32. In the drive for war work funds for the SALVATION ARMY, the amount subscribed was $3,380.31. Mr. Jos. T. Hughes was the leading spirit in these special appeals for money with which to conduct welfare work during the war.

The FOUR MINUTE MEN were as follows: Latrobe—Thomas F. Whiteman, chairman; Rev. H. N. Cameron, Rev. R. C. Betts, Rev. George C. Fisher, Dr. L. C. Thomas, R. M. Steele, J. W. McFadyen, Senator J. B. Weaver and Dr. S. W. Nealon. In Pleasant Unity, John Gress was chairman of the Four Minute Men.

The SELECTIVE SERVICE BOARD for Division No. 5 for Westmoreland County had headquarters in the High School building at Latrobe. Dr. J. W. Blair was chairman and L. B. Weller and J. R. Campbell were members of the board. Mr. Campbell also acted as chief clerk. James B. Weaver was the government appeal agent and the Legal Advisory Board was composed of James B. Weaver, John W. Chapter III.

JEANNETTE DISTRICT. The pictures and military biographies shown in this chapter are those of service men from Jeannette, Arlington Heights and Grapeville.

Co-operation was the keynote of every war work undertaken in Jeannette and that accounts in no small measure for the success achieved. Religious differences were forgotten, Catholic, Protestant and Jew combining efforts to one end—to crush Kaiserism and win victory. Never before did men and women work together in such complete harmony and with such unanimity of purpose.

"We stand with our country, we back up our soldiers, we are ready to serve" was the battle-cry adopted by the JEANNETTE WAR SERVICE UNION. This unique organization was formed in the first year of the war by a group of citizens with the idea of centralizing the handling of all funds raised in the community for war-time purposes. To the inherent and interwoven patriotism which enabled the workers to secure for the War Service Union, a membership comprising in excess of four thousand names, may be ascribed a success which stood out so prominently in war effort as to command the attention, not simply of neighboring communities, but the entire nation as well. Among the organizations and agencies which shared in the disbursements for war relief were the Red Cross, United War Work Fund, Y. M. C. A., Y. W. C. A., Knights of Columbus, Jewish Welfare Board, War Camp Community Service, American Library Association, Salvation Army and Y. M. H. A. Special disbursements were also made as follows: Linen Shower (Red Cross), Smileage Books, Comfort Kits, Emergency Hospital (Special "Flu" Donation), French High Commission, Film Picture Red Cross Parade, War Gardens, Armenian and Syrian Relief. The officers were as follows: Seneca G. Lewis, President; T. F. O'Connell, Secretary; Roland Merrell, Treasurer; John F. Ely, 1st Vice President; Geo. W. Shiveley, 2nd Vice President; A. J. Smith, 3rd Vice President. Other Vice Presidents were: Dr. B. R. Smith, W. F. Euwer, F. A. Maddas, L. R. Schmertz, Chas. H. West, J. E. Myers, E. W. Long, R. T. Hughus, W. J. Gilmore, J. C. Crownover, Turney Stough, W. J. Colbert, F. S. Rode, W. C. Koerbel, E. Katz, Frank Fitzsimmons, W. M. Adams, W. J. Burke, P. W. Ackerman, J. W. Keltz, Alf. Smith, Alex. L. Leonard, Wm. Wallace, W. A. Ray, W. W. Truxal. The Executive Committee: John F. Ely, Joseph M. Diebold, W. F. Euwer, Edward Gaughan, M. A. Gillespie, R. T. Hugus, D. W. Jenkins, John W. Keltz, W. C. Koerbel, E. W. Long, F. A. Maddas, L. R. Schmertz, Alf. T. Smith, Dr. B. R. Smith, E. Katz, Geo. W. Shiveley, F. S. Rode, Dr. J. H. Ringer, Seneca G. Lewis, T. F. O'Connell, Roland Merrall, W. K. W. Hansen, J. E. Meyer, Frank Landis. The Plan and Scope Committee: W. C. Koerbel, Geo. W. Shiveley, C. M. Bomberger, Jas. W. P. Hart, H. S. Conklin, F. D. Eberhart, Dr. W. Q. Linhart, J. G. Waddell, John H. Brown, Geo. W. Daum. The Publicity Committee: W. F. Euwer, C. M. Bomberger, Jas. W. P. Hart, Dr. B. R. Smith, E. W. Long, Chas. F. Ely, J. C. Loughead, and M. O. Shuster. The total receipts of the organization were $45,844.25 and more than $17,000 remained in the Treasury at the signing of the armistice. This balance is invested in Liberty Bonds and will be applied in providing the Memorial Hall of the new Municipal Building.

A record of the AMERICAN RED CROSS work as conducted by the Jeannette Branch of the Westmoreland County Chapter must be given a foremost place. The splendid spirit of service shown by members and enthusiastic supporters made possible a report of which any community might well be proud. The branch was organized April 11, 1917, with forty ladies present all of whom gave their membership fee. The amount contributed to the first war work campaign was about $9,500.00 and $12,000.00 was contributed to the second war work campaign. The number of hospital supplies made and sent to headquarters was 64,795 surgical dressings, 7,458 hospital garments and supplies and 600 Belgian refugee garments. A linen shower for hospitals in France produced 151 sheets, 1,080 hand towels, 547 bath towels, 680 handkerchiefs, 100 napkins and 28 short length towels. Clothing for Belgian relief amounted to 8,319 pounds. The knitting department completed 757 sweaters, 1,719 pairs of socks, 38 helmets, 73 pairs of mittens, 322 wristlets and 338 mufflers. The Comfort Kit Committee presented 600 kits to departing soldiers. The Canteen Committee served approximately 725 lunches together with tobacco. This committee, during the Influenza epidemic, distributed food to 70 families and soup, fruit juices and jellies to the hospital. The number of families reported to the Civilian Relief Committee was 160 and the amount of relief from the American Red Cross was $500.00. Clothing was provided for 12 families and the allotments and allowances secured amounted to $865.00 per month. Accumulated allotment and allowances secured amounted to $1,228.00. $125.00 per month was apportioned as salary for a district nurse and all relief work during Influenza epidemic was directed by the Civilian Relief Committee, including supervision of the work of the visiting nurse. The contribution of the Motor Division was 315 emergency hospital trips, 10 weeks motor service for visiting nurse, 3 weeks co-operation with Canteen Committee in distributing food, 3 weeks motor service to doctors and emergency nurses. The Junior Red Cross had a membership of 455 and produced 440 cup covers, 200 comfort pillows and 125,000 gauze wipes. The officers of the Jeannette Branch of the Red Cross were Mrs. L. R. Schmertz, chairman; Mrs. C. F. Ely, vice chairman; Mrs. M. Homer Miller, secretary; Mrs. Maud B. Trescher, treasurer. The various activities were directed by the following chairmen: Surgical dressings, Mrs. D. B. Pilkey; assistant, Mrs. F. R. LeVier. Hospital supplies, Mrs. Trescher; assistant, Mrs. H. S. Schaefer. Knitting, Mrs. Geo. B. Hess; assistant, Mrs. Harriet Gault. Canteen work, Mrs. D. T. Knappenberger. Civilian Relief, Dr. H. Ney Prothero. Membership, Mrs. Lenore Sterling. Administration, Dr. B. R. Smith. Finance, Geo. W. Shiveley. The chairmen of the units of Jeannette Branch were: Penn—Miss Virginia Rankin; Claridge—Mrs. M. N. Clarke; Adamsburg—Miss Margaret Black; Grandview—Mrs. Geo. West; Old Grapeville (Lincoln)—Mrs. John D. Miller; High Park—Mrs. Swinter; Seneca Heights—Mrs. Bird. In proportion to their population, all the units contributed very generously to the various War Work funds and to the total membership credited to Jeannette Branch.

The SELECTIVE SERVICE BOARD FOR DIVISION NO. 2 was located in Jeannette. The board had classifications on file for 8,723 registrants for military service from Jeannette, Penn, Manor, Irwin, and Trafford boroughs and North Huntingdon and Penn townships. Of this number 968 men were placed in the service by the board. The officers of the board were H. E. Cope, chairman, and F. D. Eberhart, Dr. H. Ney Prothero and Chas. T. Myers, members. Sloan R. Hall was chief clerk during the greater portion of the board's work. Other patriotic men and women gave considerable of their time assisting the board in clerical duties.

The local council of the KNIGHTS OF COLUMBUS responded to all calls for service. Its meetings were held in the hall on Fourth Street where arrangements were made for the council's

part in the war-time activities of the community. The organization invested its surplus funds in Liberty Bonds and War Savings Stamps. All dues and insurance of the members who had entered the military service were paid by the local council. The officers of the Knights of Columbus were James P. Richardson, Grand Knight; Joseph O'Toole, Deputy Grand Knight; A. Harry Kaylor, Financial Secretary; Paul Carroll, Recording Secretary; Carl Sunders, Chancellor; Patrick Savage, Warden; Frank Eberts, Lecturer; John Richardson, Inside Guard; Joseph Schmucker, Outside Guard; Rev. Felix Richter, Chaplain.

The Jewish Welfare Board assisted in all drives for funds and went "over the top" in the various campaigns. In addition to participating with other organizations of the community in war time activities, the Jewish Welfare Board's workers raised separate funds which were turned over to its national headquarters. The work of the Jewish Welfare Board in Jeannette was directed by M. Katz, chairman, assisted by Joseph Finberg, Frank Levine, Benjamin Levy, I. Newman, A. Lavictore, Barney Abrams, Louis Whiteman, Charles Ratner, Louis Levine, Hyman Gross, Mrs. Jennie R. Finkelhor, Miss Minnie Sandson and Mrs. Benjamin Levy.

In the five government loan drives loyal citizens of the Jeannette district bought $2,136,300 worth of Liberty and Victory Bonds, distributed as follows: First, 59,250; Second, $256,100; Third, $571,600; Fourth, $675,750; Victory, $573,600. Seneca G. Lewis, L. R. Schmertz and Mrs. Chas. F. Ely were the chairmen of the campaigns and their organization's efficient work is reflected in the results. The Boy Scouts aided in the loan drives and succeeded in obtaining many subscriptions for bonds. Troop No. 4, under the leadership of Scoutmaster Frank J. Fink and Asssistant Scoutmaster Louis Weible, was the active organization in the campaigns. In the Fourth loan drive the Scouts had tent headquarters on Fourth street and sold bonds to the amount of $18,000 in three days. In the Victory loan drive over $14,000 was subscribed in the alloted three days. The Scout troop was presented with a silk American flag by the Woman's Liberty Loan Committee in recognition of the assistance rendered by the Scouts. The United States Treasury Department's medals and bars were awarded to the following Scouts: Albert Adair, Scott Fink, James Cox, George Fink, Albert Lewis, John Prothero, Chester Harbaugh, James Bowman, Albert Myers, Stephen Cruga, Harold Flint, Paul Fink, William Free, David Kelly and Alfred Zellers.

The Four Minute Men appointed for the Jeannette district were Prof. E. W. Long, Chairman; M. O. Schuster, John Ely, J. W. P. Hart, H. B. Saul and Martin Bomberger.

Everything considered, from April, 1917, to the present day, no community in Westmoreland County can have more deserved pride in its patriotism and loyalty than Jeannette.

Chapter IV.

SCOTTDALE DISTRICT. The pictures and military biographies shown in this chapter are those of service men from Scottdale, Iron Bridge, Stauffer, Alverton and Everson.

The men, women and children of Scottdale and surrounding community played a conspicious part in the World War. They never lost sight of the fact that a responsibility rested upon their shoulders and that there was much to do. They were busy all the time.

The YOUNG MEN'S CHRISTIAN ASSOCIATION building was the general headquarters for many of the war time activities. The "Y" without hesitation threw all of its force as well as its conveniences into the service of the nation. Here the men were called for examination and for all their preliminary training previous to going to camp. The Y. M. C. A. of Scottdale was the headquarters for the American Red Cross, Civilian Relief, Army Training School, Branch of the Selective Service Board and the Boys' Working Reserve. And when the town was stricken with the terrible epidemic of Influenza, the Y. M. C. A. threw wide its doors to every one who needed the help an emergency hospital could give. All other programs were laid aside for the greater cause of saving life. Charles D. Flagle was the executive secretary of the local Association during the dark days of 1917 and 1918. It was through his untiring efforts and devotion to the work that some order and system were maintained within the building housing so many organizations and agencies. He was ably assisted by the other officers of the Association which were Robert Skemp, President; Dr. James P. Strickler, 1st Vice President; Dr. Arthur Waide, 2nd Vice President and Recording Secretary, and J. M. Zimmers, Treasurer.

The Scottdale Auxiliary of the AMERICAN RED CROSS occupied the educational class rooms on the second floor of the Y. M. C. A. building and it was in these rooms that a great work was directed. This is best attested by the fact that those who worked under the auspices of the Red Cross turned out a total of 268,038 articles for war purposes and relief work. These were divided as follows: surgical goods, 71,697 pieces; hospital supplies consisting of towels, bandages, pillow cases, surgical shirts, shoulder wraps, eye bandages, undershirts, underdrawers, bed sacks, pajamas, foot sacks, handkerchiefs, knee bandages, wash cloths, convalescent gowns, sheets, spreads, hot water bag covers, comforts, pillows, blankets, and ice bags numbered 44,223 pieces. Knitted goods consisting of socks, wristlets, sweaters, helmets and scarfs numbered 9,372 articles. Refugee garments consisting of various kinds of used and new articles numbered 8,389 pieces. Sixty-one comfort kits were produced and miscellaneous articles consisting of property bags, napkins, emergency cot outfits, robes and odd pieces numbered 134,296 pieces. The membership fund of the organization amounted to $5,078. Two hundred and ninety-nine dollars and fifty cents was collected for Christmas boxes. Thirty-four units, represented by churches and other bodies were engaged in the making of the necessities for war. The officers of the organization during the period of the war were: Rev. M. A. Lambing, president; Mrs. G. E. Huttle, 1st vice president; Mrs. Benj. Miller, 2nd vice president; Miss Katherine C. Finnerty, secretary and Robt. P. Percy, treasurer. The Advisory Board was Rev. I. E. Runk, Robt. Skemp, Mrs. F. L. Brown, Mrs. W. H. Clingerman, Mrs. A. S. Livengood and Mrs. W. H. Whaley. Mr. F. L. Brown was chairman of the finance committee, Mrs. G. E. Huttel was supervisor of units, Mrs. W. D. Stoner was assistant supervisor of units. The knitting work was in charge of Mrs. Robt. Skemp and Mrs. J. L. Raygor. Surgical dressings were in charge of Mrs. W. F. Stauffer and Mrs. E. F. Weaver. The purchasing committee consisted of Mrs. J. P. Miller, Mrs. J. P. Brennen and Mrs. M. J. Kennedy. The publicity committee was composed of Mr. Jas. Keegan, Mr. E. F. Doorley, Mrs. H. B. Hartman and Miss Elizabeth Hill. Each unit had a chairman, some two. They were 1, Mrs. G. E. Huttle; 2, Miss Lillian Parry; 3, Mrs. Marsh and Miss Ruth Rittenhouse; 4, Mrs. W. F. Shotts; 5, Mrs. F. L. Brown and Mrs. L. Jones; 6, Mrs. G. F. McNeish and Miss J. Parry; 7, Mrs. J. L. Raygor and Mrs. George Barkell; 8, Mrs. H. C. Engle and Mrs. Herman Hepler; 9, Mrs. L. A. Zimmerman; 10, Mrs. P. J. O'Conner; 11, Mrs. Charles Wadsworth; 12, Mrs. W. H. Whaley; 13, Mrs. F. C. Wray; 14, Mrs. Thomas Hill and Miss Bess Millen; 15, Mrs. Ben Willard; 16, Mrs. H. E. Overholt and Mrs. McGough; 17, Mrs. A. L. Rosensteel; 18, Mrs. H. Miner and Mrs. M. S. Pyle; 19, Mrs. W. F. Stauffer; 20, Mrs. Hough and Miss Pauline Parker; 21, Miss Gerder Carlson; 22, Mrs. Edward Mooney; 23, Miss Lucy Clarkson and Miss Hazel Rath; 24, Miss Florence Fitzgerald and Miss Lillian Maude DePriest; 25, Mrs. James Campbell and Mrs. A. Loucks; 26, Miss Katherine McBurney; 27, Miss Catherine Weddell; 28, Mrs. J. M. Zimmers and Mrs. Howard Hudson; 29, Mrs. Connors; 30, Mrs. Budd and Mrs. Luther Cope; 31, Miss Thelma Rush, Miss Sarah Sherrick and Mrs. Julia Ulery; 32, Miss Carrie Wiley; 33, Miss Katherine Doorley; 34, Miss Maude Loucks. Miss Lucy Poole and Mrs. George McGoogan directed two circles for clothes for needy Europeans.

In the five government loan drives, loyal support of the citizens was obtained and the total amount subscribed was $3,906,850. This sum was accumulated as follows: First, $175,000; Second, $547,750; Third, $842,400; Fourth, $1,386,350; Victory, $955,350. The drives were led by Walter F. Stauffer of the men's committee and Mrs. Mary A. Loucks of the women's committee.

During the two years of the war, good and faithful service was rendered by the three local troops of the BOY SCOUTS OF AMERICA. They distributed advertising matter of various kinds, helped at Red Cross headquarters, assisted in the Y. M. C. A. drives and the United War Work Fund. They were very active during the Liberty Loan campaigns and sold many bonds.

The AMERICAN LIBRARY ASSOCIATION was represented in Scottdale by Miss Edna L. Krouse under whose supervision thousands of books were collected and forwarded to army cantonments and naval training stations. All of the books were carefully inspected and marked with a book plate and indexed before being shipped. Pockets and cards were also made out for each book. The largest shipments from Scottdale were directed to Camp Hancock and Camp Meade. A commendable act of service was performed by the local representative of the American Library Association in assisting to catalog, index and install a library at the U. S. General Hospital at Carlisle, Pa. A large amount of literature was also distributed locally,—such as pamphlets on gardening, canning, etc.

In the Scottdale district the FOUR MINUTE MEN were represented by William Ferguson and Walter F. Stouffer.

The Scottdale Y. M. C. A. had two representatives in "Y" war work; Charles S. Hall was provisional finance director and Ed. Fuller served in France as director of musical activities.

The people at home worked with a definite purpose—that of helping to win the war and the community's record stands without reproach.

Under the call of the President, Company "E" 10th Pa. Inf. N. G. was mobilized July 15th, 1917 at Mount Pleasant, Pa. The organization assembled at their local camp at Brick Park and headquarters remained there until the evening of September 7, 1917, when the company entrained for Camp Hancock, Augusta, Georgia. Soon after arriving at Camp Hancock, the Pennsylvania National Guard was reorganized as the Twenty-eighth army division and given the new standard of company and regimental numbers. The Tenth and Third Regiments were merged into the One Hundred Tenth Infantry—the reorganized army title for the old "Fighting Tenth" of glorious Spanish and Philippine war tradition. The consolidation of the two companies named above was effected on October 12, 1917 and the outfit remained in training at Camp Hancock until April 24, 1918 when it broke camp and entrained for Camp Merritt, New Jersey.

At Camp Merritt the organization was inspected and received its equipment for overseas service. It embarked at Hoboken on the U. S. S. Corsican on May 2nd and landed at Liverpool, May 17th. The trip across the Channel from Dover to Calais was made on May 19th. At Calais, the outfit received rifles and gas masks and commenced final intensive training back of the British lines.

The Twenty eighth Division was engaged in the Champagne Marne defensive; the Aisne Marne offensive; the Fismes sector, the Oise-Aisne offensive; the Meuse-Argonne offensive, and the Thiacourt sector. Its total casualties were 15,433, ranking first among all national guard divisions and only exceeded in the entire American army by the First and Second Divisions of regulars. The division was six times mentioned by the commanding general of the Sixth French army of which it was a part, and once by General Mangin of the Tenth French army. It was first cited by General Pershing on August 28, 1918, and at divers times thereafter by its American corps and army commanders.

After the signing of the armistice, the Twenty eighth Division was placed in the Army of Occupation until early in January, 1919. Relieved of this duty, it moved back into France to prepare to embark for home.

Company E embarked for the United States the latter part of April on the old german freighter—Edgar F. Luckenback, and arrived in Philadelphia May 11, 1919. The division went to Camp Dix, New Jersey, for demobilization, returning to Philadelphia May 15 for a final parade and review. The men were officially discharged from service May 23, 1919, twenty-two months from the time they were mustered in at Mount Pleasant.

Chapter V.

MT. PLEASANT DISTRICT. The pictures, and military biographies shown in this chapter are those of service men from Mt. Pleasant, Calumet, Hecla, United, Welty, Mammoth and Standard.

When the United States was drawn into the devastating World War, the Mt. Pleasant District was not only ready to give her sons and daughters to maintain the cause of Democracy and uphold the rights of her country, but also gave as freely every other aid asked for in the same willing spirit.

In the LIBERTY LOAN drives the district over-subscribed its quota and went "over the top" each time. The campaigns were under the direction of the following committee: Samuel N. Warden, chairman; Dr. E. J. Knox, John L. Shields, C. E. Zimmerman, D. M. Pigman, Clark Bronson and M. A. King, secretary. Nearly $1,500,000 was subscribed in the five loans, the amounts being: First, $3,450; Second, $293,050; Third, $375,400; Fourth, $456,400; Victory, $370,600—Total, $1,498,900. The number of subscribers was 4,436.

As in everything else the LOCAL WAR DRIVES, exceeded assigned quotas. In the campaign of 1917, $10,506.88 was donated and in 1918, $41,407.44 was raised. W. E. Shoap was treasurer of the local drives.

In the same patriotic spirit the district supported the RED CROSS both financially and with work done. The enrollment in 1917 was 3885 members and the roll-call of 1918 resulted in 5260 members being obtained. The headquarters was located in the First National Bank and Citizens Trust Company building. Work rooms were provided in the Braddock building gratuitously through the kindness of Mr. Braddock and Mr. Warden. Here 192 cases of hospital supplies and knitted articles were packed and shipped. Officers of the Mount Pleasant Chapter of the Red Cross were: Dr. B. M. Loar, chairman; J. A. Warden, Mrs. D. A. Walker and Mrs. A. T. Collins, vice-chairman. Mrs. J. R. Madden was secretary and T. O. Seaton was chairman. The Executive Committee consisted of Mrs. J. R. Madden, Mrs. M. W. Harner, Mrs. Richard Gerecter, J. L. Ruth and H. G. Brown. Other officers were Irene Husband, purchasing department; Dr. M. W. Horner, educational department; Mrs. B. M. Loar, hospital supplies; Mrs. N. A. Court and Mrs. J. L. Ruth, inspection department; S. N. Warden, packing; Mrs. J. A. Madden, knitted goods; Mrs. S. C. Stevenson, organization; Mrs. M. W. Horner, publicity; Edith Warner and Marie Rumbaugh, surgical dressings. Mrs. S. C. Stevenson was head of the junior Red Cross. The Mount Pleasant chapter included an auxiliary organization at Scottdale and had units at Tarr, Ruffsdale, United, Calumet, Kecksburg, Mammoth, Stahlstown, Jones' Mills, Donegal, Stauffers and Hecla. In these places there was much activity in the production of all manner of supplies called for and many women whose home duties did not permit them to work at the various meeting places did sewing and knitting in their homes. Hospital supplies alone numbered 44,518 pieces. 3420 knitted articles were made in addition to over 100 sweaters which were presented to men leaving for military service. Comfort kits, socks and wristlets were also furnished to these men. In 1917 more than 400 Christmas packages were made up and sent to the men. During the influenza epidemic, the Red Cross established and supported an emergency hospital, with nurses, medicines and care.

The LOCAL BOARD FOR DIVISION NO. 6 was located at Mount Pleasant. S. O. Hughes was chairman; F. D. Barnhart, was secretary and Dr. W. A. Marsh was in charge of the medical examinations. J. W. Miller was chief clerk of the board.

M. A. King, Frank Barnhart, Rev. Jesse Dunn, J. P. Hellein and W. S. Kelley were the leaders of the FOUR MINUTE MEN in this district.

All calls for supporting the Government during the war met with a ready response on the part of the citizens. They did everything that was asked of them. The pride in their achievments is, therefore, a pride in duty well done.

ADAMS, WILLIAM KECK—Son of Mrs. Ellis Adams, entered service May 25, 1918, was assigned to Camp Greenleaf and placed with the 56th Artillery Base Hospital. He sailed in Aug. 1918, returned in April 1919 and was honorably discharged from service in May 1919.

Chapter VI.

IRWIN DISTRICT. The pictures and military biographies shown in this chapter are those of service men from Irwin, Larimer, Shafton, Hahntown, Cereal, Ardara, Jacksonville, Circleville and Stewartsville.

Not as large, not as rich, and not as blessed as some of the bigger centers of population, the Irwin district yielded to none in true appreciation and fulfillment of patriotic duty during the time of the Great War. Her record stands without reproach.

The splendid RED CROSS BRANCH got into activity early in the war and was guided by competent leaders in Dr. Chas. E. Taylor, chairman; Mrs. A. P. Cameron, vice chairman; Miss Ella Welty McKean, secretary; and Miss Shirley Scull, treasurer. A large enrollment was secured and meetings for work held regularly. The borough officials tendered the exclusive use of a section of the borough building to the organization. In the production department nearly 10,000 finished articles were packed and forwarded to the chapter headquarters. 7,454 garments were made in the sewing room and 1,595 knitted articles were turned out. As the result of a special linen shower, 600 pieces were obtained and sent to France. The Red Cross prepared and packed meals for the men as they left for training camps. A membership drive in December, 1917, resulted in 3,827 names being added to the roll and approximately 2500 members for the Red Cross were obtained in 1918. Six French War Orphans were adopted by the local branch. Money paid out for local work was as follows: Layettes, $160,00; Packing boxes, $4.00; Linen shower, $574.30; Christmas packages, $304.50; French orphans, $219.00; Civilian relief, $1,000.00; Comfort kits, $1,100.85; Influenza sufferers, $166.50. The Irwin branch had jurisdiction over the Red Cross work in Rilton, Larimer, Jacksonville, Circleville, Stewartsville, Shafton and nearby places.

In the special Y. M. C. A. drive for funds with which to conduct war work, the Irwin district almost doubled its quota by subscribing $2800. The UNITED WAR WORK campaign in which the following seven organizations benefitted resulted in $8,550.00 being subscribed. The organizations were: Young Men's Christian Association, Young Women's Christian Association, National Catholic War Council (Knights of Columbus), Jewish Welfare Board, War Camp Community Service, American Library Association and the Salvation Army. The Y. M. C. A. drive and the United War Work campaign were successfully conducted under the leadership of Joseph M. Keister of Irwin.

Mr. Ben Steele was chairman of the LIBERTY LOAN drives and under his direction substantial purchases of government securities never failed. The subscriptions were as follows: First, $52,300; Second, $265,450; Third, $474,450; Fourth, $514,500; Victory, $351,250—a total of $1,657,950. The Boy Scouts of Irwin and Larimer were actively engaged during the drives and were successful in selling bonds. Several Scouts won the medal issued by the United States Treasury Department.

The principal FOUR MINUTE MEN in this district were Rev. Samuel Blacker, Prof. Samuel Faussold, J. Scott Fink, Dr. Charles Taylor, C. L. Herbster, J. J. Collier and Gilbert Evans.

The Irwin district's part in the World War was that of all loyal and patriotic communities of the nation.

Executive Secretary.

When the war clouds were hanging dark and heavy over our land and it was evident that they were about ready to burst and this nation was to be plunged into the World War, Mrs. George F. Huff, in her home during February 1917 conceived the idea that something must be done to take care of our soldier boys who would be mustered into service and the families they left behind. She called together a number of people and discussed the plans to form an organization and to apply to the National Red Cross for permission to organize a Chapter with a result that this Chapter was organized. She was made temporary Vice-Chairman of the organization and since has been twice elected to that office by the officers of the Branches. During all this period she has borne her share of the burden in the workrooms of the Greensburg Branch, in consultation with the Executive Officers and in raising money in the war fund drives and giving unstintingly the use of her automoble.

Judge Copeland, was made Chairman of the Chapter, and has since the beginning given most active and strenuous service, directing the various activities and functions of the Chapter, increasing its scope and efficiency as well as giving unreservedly of his time and energy to personal requests for service.

At the inception of the Chapter, Mrs. Jerry S. Gilchrist, as Chairman of the Headquarters' Committee and Miss Edith O. Naill as Secretary of that committee did much to organize the Chapter, thus making possible its later creditable record. Early in May 1917 workrooms were opened up under their supervision in the Y. M. C. A. building; the entire second floor having been donated by the Directors of the Association for the use of the Red Cross. These workrooms were fully equipped by donations from the public, not a dollar of Red Cross money having been spent for their equipment or for their upkeep.

Upon the first appeal, eighteen (18) sewing machines, electric irons, ironing boards, etc., were donated for use in the sewing rooms and the surgical dressings rooms were equipped likewise. Sub-committees were appointed by the Chairman of the Headquarters' Committee, materials for making garments and surgical dressings were purchased and on Memorial Day, 1917 the first garments were made, sample garments having previously been made and sent to the Red Cross at Philadelphia for inspection and criticism. During the first month and a half, June 1st to July 14th, 2,322 persons were at work in the workrooms, many persons giving their entire time. During this period 6,384 articles were produced and on July 14th, 1917 the first shipment, consisting of six (6) cases containing 1,975 garments and 4,410 surgical dressings was shipped to Bush Terminal, New York, for shipment abroad.

Work continued in these workrooms until July 14th, 1917 when the Chapter organization was perfected, and Mrs. Jerry Gilchrist and Miss Edith O. Naill were transferred from the Headquarters' Committee to the Military Relief Committee, which Committee was to controll all Chapter activities.

The Greensburg Branch having been formed at this time the workrooms were turned over to the Branch and Mrs. Anna M. Ogden placed in sharge.

The offer of the Jamison Coal Company for the use of a part of their building was accepted and Headquarters for the Chapter was established in the Jamison Building, North Main Street. The Chapter has occupied these headquarters for the past two years without any expense of rent, heat, light, water, etc.,

Various towns had already made application to the Chapter for authority to form a branch of the American Red Cross and within a very short period the Chapter grew from three (3) branches to its present number, forty-one (41) branches and twenty (20) Auxiliaries. Much work had to be done in assisting these branches to organize and to open up their workrooms and to start them on their production orders, therefore, it was necessary for weekly visits to be made by members of the Military Relief Committee to the different Branch Headquarters throughout the county. These visits were made without expense to the Chapter, the members of the committee furnishing their own automobiles for transportation.

On September 15th, 1917, Mrs. J. S. Gilchrist resigned as chairman of the Military Relief Committee and on October 5th, 1917, Mrs. J. U. Kuhns who had been serving as chairman of supplies, was appointed in her place. At this time Miss Edith O. Naill, who had been in the work since the beginning of the organization and had established a system of Chapter records which is still in use, was elected Executive Secretary of the Chapter.

The Military Relief Committee became known then as the Woman's Bureau, composed of Dept. 1. surgical dressings; Dept. 2. hospital garments, supplies and refugee garments; Dept. 3. knitting and comfort kits. Mrs. J. U. Kuhns, being director of this bureau, had entire supervision of the three departments. Mrs. Kuhns, who is an untiring worker, has served from the time of her appointment October 5th, 1917 until the present time April 1st, 1919.

Classes were formed for instruction in the making of surgical dressings under the direction of Miss Marie Rush a registered Red Cross nurse, and twenty young ladies, having completed the entire course and having passed their examinations successfully, received from National Headquarters "Instructor's Certificates."

Chapter Headquarters was the scene of a tremendous amount of work for the entire output of the forty-one branches was gathered into the Headquarters and there inspected, folded packed and shipped to Divisional Headquarters, Philadelphia, Penn'a. During the period covering this report, 747 cases were shipped. This work was done entirely by volunteer help and Mr. C. T. Barnhart had charge of the nailing of the cases.

WOMAN'S BUREAU.

Mrs. J. U. Kuhns, Director.

DEPARTMENT NO. 1.

This department in charge of Miss Helen Murdock, Mrs. C. B. Hollingsworth, and Miss Margaret Coulter successively,

shipped to the division warehouse 261,599 surgical dressings. These dressings were made in the workrooms of the various branches and were inspected and packed by a committee composed of Mrs. Elmer Turner, Miss Isabel Jamison, Mrs. D. B. Pilkey and Miss Mary Ashcom. In addition, the Chapter maintained a model workroom in which proper equipment and new dressings were demonstrated and classes were conducted by Miss Margaret Coulter, who held a certificate as a Division instructor.

DEPARTMENT NO. 2.

This department was managed in succession by Mrs. John B. Brunot, Mrs. H. E. Marker, Miss Elizabeth Moorehead and Miss Anne Dobson. The supplies were handled and information sent out to the Branches by a committee composed of Mrs. J. Edward Keck, Mrs. Fred L. VanDusen, Mrs. J. Covode Reed, Mrs. Curtis H. Gregg, Mrs. H. F. Bovard, Mrs. W. F. Elwood, Mrs. John Singer, Mrs. James G. Ehrenfeld and Mrs. Elmer Turner. The complete output of the department totaled 109,592 articles. An itemized report of the same will be found under the heading "A Two Years' Accomplishment."

DEPARTMENT NO. 3.

Was in charge of Mrs. W. W. Jamison, who was an incessant worker and gave practically her entire time from the beginning of the work. She was ably assisted by Mrs. Arthur Smith, Mrs. George Hutchison and Mrs. Frank G. Bryce. This department put out 25,127 articles. In addition to these articles shipped to the division warehouse, knitted garments were supplied to drivers of truck trains which passed through Greensburg from one to three times daily, and socks and sweaters were also supplied in large quantities to the draftees upon their departure to camp.

In addition to the above committees a special committee was appointed to take charge of the linen shower campaign, which was ordered by the division. This committee was composed of the following members:—Mrs. Robert Herbert, and Mrs. John Brunot as chairman and Mrs. C. L. Crosby and Mrs. J. S. Amen as assistants. This committee worked daily for three weeks and inspected folded and packed 15,275 articles which were donated by the public, no Red Cross money having been used for this purpose. During the influenza epidemic which swept the country at that time, this committee supplied bed linen to three (3) local emergency hospitals which were established by the Chapter.

Another special committee with Mrs. Edward Keck as chairman and a corps of efficient workers was appointed to take charge of the campaign for Belgian relief. During this campaign 364 cases, gross weight 52,414 lbs., containing partly used clothing and shoes were shipped to the commission for relief in Belgium, Newark, N. J.

The Chapter was asked by the division to equip five (5) emergency cots for use in the National Cantonments of the United States Army. This was done at Chapter expense. The equipment for each cot consisted of 30 articles, namely, 1 folding canvass cot, mosquito netting, 4 cotton sheets, 1 rubber sheet, 3 blankets, 2 pillows, 2 pillow cases, 1 hot water bottle, 1 bed pan, 1 urinal, 4 hand towels, 2 hospital bed shirts, 2 wash cloths, 2 pairs cotton socks, 1 pair slippers, 2 pairs pajamas and in addition to this 58 comfort kits and 29 pairs of pajamas were also furnished.

On May 10th, 1918, two new bureaus were opened up, the Bureau of Hygiene, First Aid, Dr. Iden Porster, Director; Nursing Bureau, Miss Anne M. O'Hara, Director and Bureau of Junior Membership, Mrs. Helen Campbell, Director. The Nursing Bureau recruited eighteen (18) nurses for service in the Army and Navy and enrolled six (6) nurses as Home Defense nurses. Ten of the nurses who were recorded for active service were furnished with their complete equipment at a cost of an average of $110.00 for each individual. This money was supplied entirely by volunteer contributions.

August 9th, 1918, Miss Anne M. O'Hara tendered her resignation as she had been called into active service and ordered to France. Mrs. Caroline K. Sondles was appointed to fill the vacancy.

Thomas J. McTighe, the Treasurer of our Chapter has handled and disbursed several hundred thousand dollars of the Chapter's money. This money was not received in bulk or paid out in bulk but was received in both small and large amounts and the work of keeping track of the money received and expended required hours of his time. His report is as follows: Total amount of money received by the Chapter from its organization to the 1st of April 1919. $515,477.73. This made up of $100,209.26 membership fees, $24,822.71 donations, $7,578.40 supplies, $2,446.51 Civilian Relief, $398.61 interest, $109,163.24 First War Fund and $270,859.00 Second War Fund. The total expenditures including membership fees and War Fund paid National Headquarters are $415,765.78 leaving a balance on the 1st day of April 1919 in the hands of the Treasurer of the Chapter, $99,711.95.

MOTOR CORPS.

Jean Liddell, Captain.

This Bureau was organized during the summer of 1918 and the originators were Miss Marion Head and Miss Eleanor Huff. They opened a Red Cross shop, solicited the donations of clothing and all other articles that might be saleable, sold them, and raised sufficient money to buy a truck. They then organized a Motor Corps with Miss Head as its captain. She subsequently went on duty to France and Miss Liddell succeeded her to the captaincy. Since the organization of this Motor Corps the members have given 5,087 hours of service to the Chapter, doing splendid and efficient work taking Red Cross Nurses and Civilian Relief workers to all parts of the Chapter.

BUREAU OF JUNIOR MEMBERSHIP.

Mrs. Helen L. Campbell, Director.

The Junior Bureau of Westmoreland County Chapter of the American Red Cross assumed its duties on the first of May nineteen hundred and eighteen with the enrollment of eight schools in Greensburg and vicinity and followed the following week with three new Junior Auxiliaries in Jeannette, one in Avonmore, Arona and four in Hempfield Township.

Greensburg, Jeannette and Ligonier helped in organizing in towns around and aided the propoganda for the Juniors by splendid floats and representations in the big parade on May 18th.

It was so late in the year that very little organized work could be attempted, but each organization encouraged and planned some war garden work.

In the fall of nineteen eighteen the schools having organized were encouraged to begin work at once on Beligian Relief garments and layettes to aid in the preparations of the allotments of the Chapter work.

A number of quilts were made of knitted squares and sent to France through the Chapter before the order for discontinuing this work was received. The making of scrap books, collection of paper and clothing, rubber and tinfoil, have been among the activities of the Westmoreland County Junior Red Cross.

None of the Junior Red Cross funds have been touched, all materials used having come from other sources and the full amount of the fund one thousand fifty dollars being in the hands of the Chapter School Committee.

The membership, now a little over five thousand in thirty auxiliaries will be increased the coming fall to carry on the "Peace Campaign" planned.

PUBLICITY BUREAU.

Mrs. George T. Foster, Director.
Mr. Edward Cramer, Assistant.

This department has conducted the publicity on the service drives for clothing, linens, gas mask materials etc., to all of which there was a most generous response. It has also given inspiring publicity to work of the various Branches and has brought about successful co-operation throughout the entirety of the Chapter.

WAR DRIVES.

Joseph D. Wentling had active charge of the various drives for members and funds. He recognized the benefits to be derived from a thorough organization of his forces and every campaign was begun with a working force thoroughly instructed and equipped for its duties. An indefatigable worker, he inspired his helpers with enthusiasm, and the magnificent showing made by the Chapter in its drives is due in great part to his competent management. The results from these drives were

Membership drives	$100,209.26
First War Fund	109,163.31
Second War Fund	270,759.02

CANTEEN BUREAU.

Mrs. Clymer H. Painter, Director.

This Bureau has fed and lodged in Greensburg, over 12,000 soldiers traveling with truck trains and otherwise. The truck trains often did not arrive on time, but no matter what hour of the day or night they arrived they were fed and provided with lodgings, thus necessitating the women frequently staying up all night.

Chapter VII.

West Newton District. The pictures and military biographies shown in this chapter are those of service men from West Newton, Scott Haven, Fitz Henry, Van Meter, Jacob's Creek, Gratztown, Smithton and Suterville.

The West Newton district has a proud record of patriotism during the World War in its contributions of men, money and materials, and war activities.

The Red Cross branches at West Newton and Sutersville together with the units organized in nearby towns played an important part in the home work of this district, just as it did throughout Westmoreland County and the nation. Organized early in the war, the loyal members rolled up a record of which any district might well be proud. In amount of finished articles of comfort and service to the men across the sea, the workers of this district stood among the first. The guiding hands of the West Newton Branch of the Red Cross were: J. L. Waters, chairman; Harriet Patterson, vice-chairman and Mrs. John McCune, secretary-treasurer. The officers of the Suterville Branch were: Dr. W. F. Peairs; chairman; Joseph Lonergan, vice-chairman; Wm. H. Brown, secretary, and Wm. E. Franklin, treasurer. During the period of the war, scores of workers in this district were faithfully doing their "bit" in the work rooms and appointed meeting places and many women worked at their homes and sent in to headquarters the articles as fast as they were made. Besides the great quantities of supplies shipped to Chapter headquarters for general relief work, the local branches and units, aided the families of soldiers in the service, did civilian relief work, rendered valuable aid throughout the district during the influenza epidemic, furnishing nurses and supplies and emergency hospitals, and materially aided the government in the campaigns for the conservation of food and resources. Campaigns for clothing for Belgians and French frontier children were also successfully carried out.

The Liberty Loans were all actively and enthusiastically supported in this district. The leading workers were John G. Goehring, A. A. Emerick, Dr. W. F. Peairs, Dr. C. H. Boisseau and J. K. McDonald. Many other citizens had an honorable share in helping to write the splendid and historical records. The total number of subscribers was 5,475 and in all drives the district oversubscribed its quoto. The following is the summary of the five Liberty Loans: First, $21,800; Second. $60,000; Third, $339,900; Fourth, $476,200; Fifth, $336,500—Total $1,228,400.

The Four Minute Men were John G. McCune, J. L. Waters, Rev. J. R. McFarland, A. A. Emerick, Prof. F. H. Painter, W. F. Cummings, Thomas D. Rhodes and Dr. W. F. Peairs.

The officers of the Local Board for Division no. 7 were Berkey H. Boyd, chairman; W. B. Howell, and Dr. J. L. Robinson. The chief clerk was W. S. Hostetter.

The West Newton district did a noble part in all that it undertook and the records show that the people could meet the returning soldiers from the battlefields of Europe with a consciousness that they had done their best, and with a feeling of pride in their work being well done, giving concrete evidence of the fact that the civilian army at home as well as the military army abroad was actuated with the one impulse and desire.

The Boys' Working Reserve

During the Spring of 1918 a campaign was inaugurated for the purpose of inducing boys of Grammar School and High School age to volunteer through patriotic motives to help the farmers plant their crops. This War Measure was under the direction of Mr. R. A. McDowell, State Director, assisted by R. A. Stevenson, Boy Scout Leader, both of Pittsburgh, Pa. These men were aided in placing the boys by Mr. John D. Martz, Director for Westmoreland County together with Mr. R. M. Redenbaugh who had charge of the section about Ligonier, Mr. E. V. Bearer, whose territory was Mt. Pleasant Township, Mr. W. L. Treager, who operated in the community about Irwin, Mr. Charles Bolton who assigned the boys to places in Sewickley Township and Mr. Alex. Gordon who was interested in the Townships near Export. About four hundred boys from Allegheny and Westmoreland Counties offered their services to the farmers of Westmoreland County to plant, to hoe, to weed, to do chores and run errands. They came in small squads in charge of a leader and were taken to the different sections of the county where their services were needed and where they were met by the farmers of the community who selected the boy or boys best suited in their judgment for the work.

The terms of agreement were the same for each: namely;—the boy must receive a weekly wage of $3.50; if he did not prove satisfactory the official in charge was notified and the boy returned to the charge of the official. If the boy was not satisfied he also notified the official who would try to adjust the differences. If he were successful in this the boy remained; if not the boy was changed to another place. In most cases both farmers and boys were well satisfied and much delighted with the arrangement; The farmers praised the boys for their ability and eagerness to learn; on the other hand the boys were very happy in their positions on account of the splendid treatment and the good and wholesome food provided for them. When they met their companions they boasted of their happy condition.

Every week the officer in charge called the group together to the community center for fellowship and entertainment. One Sunday, late in the Summer a meeting of all the different divisions belonging to Westmoreland County was held in the Atkinson Y. M. C. A. at Greensburg. The boys came in the morning, attended the church of their choice, were taken home by the different members of the congregation for dinner and entertained. In the afternoon they assembled again at the Y. M. C. A., lisened to talks by several speakers, were given medals for service and were permitted to enjoy a swim in the pool. The day was spent with profit and pleasure.

The pluck and courage of these boys is to be commended. Many of them had left home for the first time and were called upon to endure the pangs of homesickness. They had lately been students in school; their muscles were soft and their hands unaccustomed to the hoe and rake and plough. For the first few weeks their shoulders and limbs were exceedingly bruised and sore, but they had grit and sand and American determination in their makeup to do their bit and their best for their country's cause. They did not complain but rather boasted of blisters and sore muscles. These Soldiers of the Soil are deserving of much praise and their country owes them no small tribute. The farmers testify that these boys helped them to save the crops and also increased the production much above what it otherwise would have been. Another testimonial to the splendid service of the Boys' Working Reserve is that during the past summer many farmers begged that they might be helped through the harvest by this organization.

On the other hand this experience was a liberal education for the boys. Without this little sojourn in the country, the lives of many of these boys would have been touched only by the narrow environment of the city. But the impression gained through the personal contact of things pertaining to rural life will forever give them a broader view of life and a more liberal interpretation of the affairs belonging to a whole community. The knowledge they have acquired during three months on the farm will help them in the future to appreciate to a fuller extent their fellow citizens in town and countryside. They themselves will be better qualified to render service and perform the duties of citizenship; with a clearer vision they will regard the ideals of Americanism—patriotism and service.

Chapter VIII.

LIGONIER DISTRICT. The pictures and military biographies shown in this chapter are those of service men from Ligonier, Laughlinstown, Wilpen and nearby places.

Nothing illustrates the patriotic spirit of the citizens of this district, in contributing to the support of the war for humanity, more than the official figures showing the total results of the five LIBERTY LOANS. The subscriptions were as follows: First, $20,000; Second, $145,600; Third, $235,750; Fourth, $445,800; Victory, $228,250—a total of $1,075,400. This substantial purchase of government securities by 4170 subscribers exceeded the assigned quoto by $256,400. W. H. Lowry, of Ligonier, was chairman of the men's committee and Mary E. Ashcom, of Ligonier, was head of the women's committee. The leading workers were: C. B. Marrietta, Richard B. McDowell, Stewart Dyer, S. G. Brownsfield, Samuel R. Kelley, Harry G. Bracken, James M. Mull, T. E. Peoples, William Donaldson, John B. Singer, Otto B. Stickel, Mrs. S. S. Dice, Miss Carrie Marker, Mrs. Craig McKelvey, Mrs. James Lohr, Mrs. Humbert Lowry, Miss Mary Matthews, Mrs. Edward Rathwell, and Mrs. C. A. Hamill of Ligonier; Mrs. Pemberthy, Wilpen; Mrs. Otto Stickle, Miss Agnes Kuhns, and Miss Mary Carus of Oak Grove; Mrs. Carter, Waterford; Mrs. Wm. Weaver, Crisp; Mrs. Elmer Miller, Stahlstown; Mrs. Fulton and Mrs. Fowler Naugle, Laughlinstown; Mrs. Jack Donovan, Milbank; Mrs. Kate Buell, Zion district;; William Buell, Laughlinstown; S. S. Snyder and John J. Ross, Idle Park; John H. Clopp, Ligonier township; Wm. T. Weavers, Crisp; John O. Stough, Stahlstown; Grover Hofelt, Keffer; Henry Weshonsce, Harrold.

When preparation for the war was at its height, the Ligonier district came into its historic days once more. The thrill of the Revolutionary forces or musterings of Civil War days, could not have caused so much excitement as when in the fall of 1917, the first army motor truck convoy arrived in town enroute for overseas. The entire outfit was entertained by Mr. and Mrs. Henry S. Denny, assisted by the junior canteen of the Ligonier Valley Branch of the RED CROSS SOCIETY. The local branch had some time before been organized in the auditorium of the high school and headquarters and workrooms were established at the Ligonier Springs Hotel. The faithful women of the community, under the able leadership of Mrs. Henry S. Denny, chairman, had long since been at work and the record of their accomplishments is one to be proud of. From organization to March 1, 1919, which marked the end of their war activities, great quantities of supplies were shipped to headquarters for general relief work. 37,753 surgical dressings were made under the direction of Miss Mary Ashcom. The knitting department in charge of Mrs. Jennie Robb and Miss Samantha McKelvey, produced 628 sweaters, 305 mufflers, 271 helmets, 335 wristlets and 1952 pairs of socks. 826 comfort kits, 683 property bags, 120 hospital pillows, 240 pillow cases, 130 bandage bags, 135 Christmas bags, 113 hospital shirts, 45 suits of pajamas, 25 bed jackets, 20 undershirts, 20 pairs of underdrawers, 50 pairs of bed socks, 100 chemise, 25 bath robes, 10 pinafores, and 15 flannel petticoats were completed. Mrs. George Deeds, Mrs. Henry Smith, Mrs. George Freeman, Miss Annie Marker, Mrs. H. L. McMurray and Miss Clara Marker were the officers in charge of this division of the work. Mrs. L. B. Weller made and donated 15 comfort kits. 212 Christmas packages were made and sent to service men in the winter of 1918. Mrs. J. C. Myers was chairman of a committee which sent 95 Christmas cartons overseas in November, 1918. 15 bags were also sent to French soldiers. The linen shower for hospitals in France resulted in donations as follows: 140 sheets, 387 hand towels, 185 bath towels, 200 napkins, 240 handkerchiefs and 14 wash rags. 28 comforts were made by the ladies of the M. E. Church under the direction of Mrs. James Davis. Two comforts were sent in by Mrs. W. H. Matthews and the Camp Fire girls. Two ambulance covers were made by Mrs. C. E. Lindsay and the young people of the Presbyterian Church. As the result of a campaign for clothing for Belgian refuges, 16 cases containing 3888 garments were shipped. Mrs. T. A. Newton was chairman of a committee which furnished the following articles for Belgian babies: 25 capes, 50 dresses, 26 knitted hoods, 25 knitted sacques, 115 flannel booties, 53 knitted booties, 32 needle cases, 76 muslin shirts and 75 flannel shirts. The canteen service was in charge of Mrs. Wm. Robb, captain; Mrs. Randal Kelley, asst. captain; Mrs. G. C. Frank, treasurer; Mrs. W. A. Peterson, secretary. The lieutenants of this committee were Mrs. J. C. Myers, Mrs Henry Rhody, Mrs. D. V. McConaughey, Mrs. Geo. Deete, Mrs. Fred. Fowler, Mrs. Frank Murdock, Mrs. George Freeman, Mrs. Jacob Peterson, Mrs. Samuel McLean, Mrs. C. E. Bossart, Mrs. G. C. Frank, and Mrs. W. A. Peterson. During the winter of 1917-18 768 soldiers were entertained in private homes and 958 in hotels. 148 men were served Thanksgiving dinners, 78 men were entertained at Christmas dinners. Stationery was provided for 6170 men. The canteen service of the Red Cross provided 4996 meals for soldiers during the winter of 1918-19. $29.60 was raised by a "rubber drive" in October 1918, of which W. T. Brown was chairman. A barrel of fruit pits and nut shells was collected by the school children. During the influenza epidemic, an emergency hospital was equipped and opened by ladies of the Red Cross. Dr. Charles Ambrose was in charge of the hospital and Miss Jane Smith was head nurse. Miss Edna Keffer was dietarian. The community supported the Red Cross in the same patriotic spirit which it gave during the various war drives. The quota for the first Red Cross fund was $3000,00 and subscriptions amounting to over $6000.00 were obtained. The quoto for the second fund was $6000.00 and over $11,000.00 was subscribed. The officers of the Ligonier Valley Branch of the Westmoreland County Chapter of the American Red Cross were: Mrs. Henry S. Denny, chairman; Mrs. S. Randall Kelly, vice-chairman; Mrs. William A. Peterson, secretary and James O'Hara Denny, treasurer. George W. Deeds was chairman of the administration committee; I. M. Graham was chairman of the publicity and information committee; J. O'Hara Denny was chairman of the finance committee; Mrs. E. H. Dickinson was chairman of the extension and co-operation committee; John Smith was chairman of the enrollment committee; W. H. Lowry was chairman and Miss Mary Berkey was vice-chairman of the committee for civilian relief. Dr. J. B. Johnson was chairman of the town and county nursing committee; Rev. Theo. Buch was chairman of the committee to aid soldiers and sailors' families; and Rev. Father Felix Felner was chairman of the committee for rehabilitation of discharged service men.

THE SALVATION ARMY drive for funds resulted in over $600 being subscribed. $1779.25 was subscribed to the Y. W. C. A. campaign.

In the UNITED WAR WORK CAMPAIGN, $7454.03 was raised. The leading workers in the drive were J. O'H. Denny, Mrs. Henry S. Denny, Miss Nan McClure, Mrs. J. S. Berkey, Mrs. E. B. Shaffer, Miss Josephine Kibel, Mrs. Ed. Murrain and Mrs. Calvin Smith.

$200.00 worth of SMILEAGE BOOKS was provided by G. C. Frank and given to service men out from the Ligonier Valley.

The FOUR MINUTE MEN from this district were Rev. C. E. Ludwig, Edw. B. Mowry and S. T. Slater.

The BOY SCOUTS did splendid service in the sale of Liberty Bonds, War Savings Stamps, in war and farm gardening, in the distribution of posters and literature and assistance to the Red Cross. They were organized on a war basis under the leadership of Rev. A. L. Kenyon, scoutmaster, and Roland Smith and F. L. Wilson, assistent scoutmaster. For meritorious work in selling Liberty Bonds and War Saving Stamps, war service medals were awarded by the government to the following Scouts; William Wilt, William Rhody, John Clifford, Charles Matthews, George Deeds and Henry Clifford.

Westmoreland County Honor Roll

by MRS. H. CLAY BEISTEL

To the strains of "Abide with me," played by Nirella's band of Pittsburgh, amidst tears and cheers, Westmoreland's County service flag was unfurled on New Year's day 1919 from the balcony of the Court House by Julia Belford Anderson, daughter of Major Thomas B. Anderson of Latrobe, (killed in action August 1918.) She was assisted by the following sisters of boys who had made the supreme sacrifice: Miss Gunda Elanor Allison, Monessen-sister of Herbert W. Allison, Miss Lillian Walker-Scottdale-sister of Ralph G. Walker, Miss Esther Bair-Greensburg-Sister of Edward H. Bair, Jr., Miss Jean Ramsey-United-Sister of Robert Ramsey, Jr., Miss Irene E. Klinglesmith-Greensburg-Sister of Sergeant Major John M. Klinglesmith, Miss Anna E. Corman-Greensburg-Sister of Sergeant Major Abram H. Corman, Mrs. E. T. Stevenson-Mt Pleasant-Sister of Captain Howard C. Braddock-Miss Angeline Shuster-Jeannette-Sister of James E. Shuster and Miss Marjorie Gaither-Greensburg-Sister of Lt. Wilson B. Gaither.

The flag contained one big star with the numerals 9228 indicating the number of men in the world war from Westmoreland County. The star of blue was encircled by 209 gold stars telling the grievous tale of Westmoreland's sacrifices to that date.

On May 24th, 1919—the day Company I of the 110th. regiment was welcomed home—the service flag was again unfurled to the breeze with 96 gold stars added, making a total of 305 who had given their lives for democracy.

Even with the armistice signed and most of the boys, "who would return," back in their homes, still the casualties kept coming in when the service flag was taken down from its conspicuous place at the head of the stairs in the Westmoreland County Court House, furled and laid away to be brought forth on future historical days, 19 more gold stars were added making a total of 324 of Westmoreland County's brave boys who will never return. Many of the stars indicate a heroism and bravery which received recognition by the awarding of the Croix De Gurre and D. S. C.

J. Worton Pepper chairman of the Council of National Defense had made an earnest appeal that each locality erect an Honor roll board in honor of their boys in service. The Army and Navy Camp Committee of Mothers' Congress interested themselves in this patriotic work, and the County Honor Roll Committee composed of Mrs. H. Clay Beister, Mrs. H. Clymer Painter, Miss Tyde Carpenter, Mrs. Lloyd B. Huff, Sheriff John P. Kilgore and Mayor Harry N. Yont was appointed. This Committee took up the question of an honor roll board with the Greensburg Council and the different boroughs of district No. 1.

Greensburg, Hempfield Township and Southwest Greensburg decided to erect an honor roll board, which would contain the names of men in the service from these districts. Eighteen hundred dollars was appropriated to erect the same.

The work of complying the names, procuring the location etc., was left to the county honor roll committee. Through the courtesy of Mr. Joseph W. Gumbes the Pennsylvania Railroad Company permitted the board to be erected on their property at the Pennsylvania Railroad Station, Greensburg, put in the concrete walk in front of it, and furnished electric light and fixtures free of charge. The Honor Roll Board contained 1906 names.

It was decided to unveil the honor roll on New Year's day, 1919 in conjunction with the services held for the unfurling of the county service flag. The County Commissioners, Berkey H. Boyd, D. W. Reamer, George W. Deeds and County Comptroller, John S. Sell appropriated Twelve Hundred Dollars for the purchasing of the service flag, and to defray expenses of fitting services for the unfurling. Grrensburg, Hempfield Township and Southwest Greensburg also appropriated money for the dedication services attending the unveiling of the Honor Roll.

The Honor Roll Committee made extensive plans for a day that would live in the annals of Westmoreland County History, and fittingly commemorate her part in the winning of a world victory. Committees were appointed to make arrangements for impressive services, receptions and entertainment for the guests. Invitations were sent to the mayors of all towns, with the request that they invite all under their jurisdiction, to chairman of all patriotic organizations in the county, Red Cross chapters and branches, and to every family which had sustained a casualty.

On the front of the invitation was a beautiful American flag with John McCrae's "We shall not sleep" inscribed beneath. Inside was the coat-of-arms of the State of Pennsylvania. The invitation read:

The County Commissioners

The Army and Navy Camp Committee of Mothers' Congress

The Greensburg Counsel

The Southwest Greensburg Counsel

The Hempfield Township School Board and Road Supervisors

REQUEST YOUR PRESENCE AT GREENSBURG

New Year's Day

To Commemorate and Celebrate

In Honor of Our Soldiers

Unfurling of County Service Flag at 1:30	Dedication of Honor Roll Board at 3:30

At least five thousand people stood in the rain on New Year's day watching the unfurling of the flag. On account of the inclement weather the dedication services were held in the court house. Impressive prayers and addresses were made by Rt. Rev. Abbott Aurelius Stehle, O. S. B., Rev. B. Shoemaker, Rev. E. S. Bromer, Judge A. D. McConnell, Hon. James S. Morrhead, Mayor Harry N. Yont and Hon. Albert H. Bell.

Ten bands from different parts of the country took part in a band contest. The one rendering "The Star Spangled Banner" most effectively received a decoration from the hands of Brigadier General Coulter. New Kensington carried these trophies home, which will no doubt appear among the historical relics of the ancestors of these men in years to come.

An exhibition of what the industrial plants of Westmoreland County had contributed to help win the war, together with relics of all wars was staged at the State Armory.

The late E. E. Robins had procured some war relics from the Hon. Clyde Kelly from Chateau Thierry. This was the first exhibit from over seas and created a great deal of interest over the county.

Gas masks, alluminum canteens, many different sizes of shells, and other war implements were furnished by industries of Westmoreland County. The big room on the ground floor of the State Armory had been fitted up as a United States' Club Room, furnished with beautiful rugs, couches, chairs, tables, lamps and a piano obtained from money and donations from citizens of the community. Here the Army and Navy Camp

Reception Committee, Mrs. L. B. Huff, Mrs. Joseph D. Wentling, Mrs. H. Clay Beistel, Mrs. H. Clymer Painter, Mrs. D. F. Kilgore, Mrs. R. C. Welty, Mrs. H. N. Yont, Mrs. C. C. Crowell, Mrs. Adam Wyant, Mrs. Jeffrey W. Taylor, Mrs. John M. Jamison and Mrs. W. Steel received, and served refreshments to soldiers and their famlies. Nirella's band furnished a delightful musical program all afternoon. Thousands of people attended the exhibition, which was continued for a couple of days to accommodate the crowds. Ten thousand souvenier books compiled under the personal supervision of Mrs. Charles McKenna Lynch, Miss Hester Fogg and Mr. Charles Null, containing the names of the casualty of Westmoreland County, released by the United States Government Official lists up to December 26th, 1918 were distributed by the Motor Corps Girls.

The cover of the book was decorated with a coat-of-arms of Pennsylvania and the red-key-stone. The first page held this inscription:

This list of dead, wounded, missing,
is compiled with the earnest hope
that their names and the names
of their comrades in arms
will never fade from our grateful memory.

Chapter IX.

YOUNGWOOD DISTRICT. The pictures and military biographies shown in this chapter are those of service men from Youngwood, Tarr, Ruffsdale, Hunkers, New Stanton and Yohagany.

The Youngwood district's part in the World War was no small one for the people at home "carried on" in a patriotic spirit. An outstanding characteristic was the ready response to the call for financial support. In the UNITED WAR WORK CAMPAIGN the results surpassed all expection. In this successful drive, under the leadership of H. H. Millan, over $4,700 was subscribed and the following organizations benefitted: Young Men's Christian Association, Young Women's Christian Association, Knights of Columbus, Jewish Welfare Board, War Camp Community Service, American Library Association and the Salvation Army.

The RED CROSS branch played an important part in the home work of this district. Workrooms, equipped with sewing machines, tables, etc., were located on the second floor of Youngwood's town hall on Fourth street. Here there was much activity in the production of all manner of supplies called for and many women and girls from nearby places did sewing and knitting in their homes. The offices of Dr. A. W. Caven, who was away in the military service, were used for making surgical dressings and hospital supplies. During the influenza epidemic the faithful women worked day and night. Masks, dressings, pneumonia jackets and other articles demanded were made for army use and for home patients. A notable work of civilian relief was the activity of the Camp Fire Girls under the direction of Mrs. Mack. The organization rendered much valuable assistance to the Red Cross in the surgical dressing department but their most remarkable service was in the homes of the sick where they braved the dangers of disease in caring for children and babies. The guiding hands of the Youngwood Branch of the Red Cross were Rev. E. D. Bright, chairman; Miss Ethel Lowe, vice-chairman; Miss Margaret Topper, secretary; Rev. F. A. Kearns, treasurer. Other department heads were Mrs. Joseph Smith and Mrs. W. H. Cook, sewing department, Mrs. C. E. Smith, knitting department; Miss Ethel Lowe, surgical dressing departments.

The number of subscribers to the five LIBERTY LOAN DRIVES was sixteen hundred and forty-five and the official report shows that the total amount subscribed was $248,200. But it must also be remembered that many bonds were purchased by citizens of this district from their employers which are not included in the above figures. The leading workers in the drives were Harry Millen, James Bennett, James Cramer, E. Wingfield, Dr. Brown, Dr. Caven and A. M. Tomb. Miss Ethel Lowe and her assistants on the women's committee made a creditable showing by always raising more than their quota.

The splendid work of the BOY SCOUTS, guided by Harry Bush, scoutmaster, in selling Liberty Bonds and War Savings and Thrift stamps is worthy of special mention. Their work in the campaigns stands out prominently, especially when it is considered that the Boy Scouts planned their campaigns after their districts had been "combed" by committees of adults. Several scouts were awarded medals by the government for the record they made in the sale of bonds and stamps.

Frank R. Dalby was chairman of the FOUR MINUTE MEN for their district and other workers were Hon. L. L. LOWE, Rev. F. A. Kearns, Rev. E. O. Graham, Rev. E. D. Bright, Rev. J. A. Younkins and W. S. Kelly. These men conducted an educational campaign throughout the district and helped to put over the Liberty Loan and various other war activity campaigns, including food conservation and production.

A Summary of the Activities

of the

Westmoreland County Branch of the Pennsylvania Council of National Defence and Committee of Public Safety

This organization, as its name indicates, was the Westmoreland County representative of that great national body, known as the Council of National Defense, and its function was to act as a clearing-house for all the war activities of Westmoreland County. A number of these activities had their own organizations and where this occurred, the Westmoreland County Branch of the Council and Committee acted only in an advisory capacity. This was true of the American Red Cross and the Liberty Loan Committees. Notwithstanding the fact that these two bodies were separate, the Council and Committee were frequently called upon and did render to them valuable assistance.

The Council and Committee, when it was practical, delegated its broad powers to other activities, which because of their experience and more detailed organization were better able to handle the work turned over to them. Where there were no bodies to handle certain phases of the work, organizations were speedily and successfully formed.

The Westmoreland County Branch of the Pennsylvania Council of National Defense and Committee of Public Safety was at the request of His Excellency, Governor Martin G. Brumbaugh, formed on June 28, 1917, at a meeting held in the Westmoreland County Court House, at Greensburg, Pennsylvania. These officers were elected and served during the continuance of the organization: Chairman, onorable John M. Jamison, Greensburg, Pa.; Vice-Chairman, Rev. W. A. Roulston, Vandergrift, Pa.; Treasurer, John S. Sell, Greensburg, Pa.; Secretary, H. Dallas McCabe, Monessen, Pa.; Executive-Secretary, Paul K. McCormick, Greensburg, Pa.

At the suggestion of the State Council of National Defense eleven active working departments were formed, which departments with their directing heads follow: Finance, John S. Sell, Greensburg, Pa.; Publicity, Paul K. McCormick, Greensburg, Pa.; Food Supply, L. F. Engle, Greensburg, Pa.; Civilian Service and Labor, C. C. Crowell, Greensburg, Pa.; Building and Materials, C. B. Hollingsworth, Greensburg, Pa.; Guards, Police and Inspection, Jno. P. Kilgore, Greensburg, Pa.; Federal Food Administrator, John Barclay, Greensburg, Pa.; Federal Fuel Administrator, Robert W. Smith, Greensburg, Pa.; United States Public Service Reserve, H. F. Bovard, Greensburg, Pa.; United States Boys' Working Reserve, R. C. Shaw, Greensburg, Pa.; County Farm Labor, John D. Martz, Greensburg, Pa. R. F. D. No. 4.

To discuss in detail the work and workings of these many agencies would consume more space than has been allowed for this article. It is hardly necessary to say that all matters which came to the attention of the Council and Committee were well taken care of by one of its agencies. The good people of Westmoreland County paid every attention to the requests and advice of this body and in doing the great work Westmoreland County did to further the best interest of Our Country during the War, the credit should go to the people themselves and not to any organization or organizations, which may at times have pointed the way. Our people were patriotic in the extreme and their noble adherence to the policies of real Americanism fully deserves its reward.

One agency which contributed, as much, if not more to the success of this War work than any other, was the Woman's Division of the Westmoreland County Branch of the Pennsylvania Council of National Defense and Committee of Public Safety, under the leadership of Miss Martha B. Steckel of Greensburg, Pa. The women of Westmoreland County, under the direction of this body, came willingly and gladly to the front at every opportunity and helped make a success of any project that was undertaken. The efforts of the Woman's Division of the Council and Committee are more fully discussed elsewhere in this volume.

With the thanks of the State Council of National Defense the Westmoreland County Organization suspended activities on January 1, 1919.

Chapter X.

MANOR DISTRICT. The pictures and military biographies shown in this chapter are those of service men from Manor, Penn, Harrison City, Adamsburg, Claridge, Westmoreland City and Wendel.

As might be expected, the war activities of this district were as varied as the government demanded. Official records show that every call was answered.

In the five LIBERTY LOAN DRIVES, the district oversubscribed its quota by $93,500. Two thousand eight hundred and seventy-two subscriptions were turned in. The subscriptions were as follows: First, $17,000; Second, $56,450; Third, $127,000; Fourth, $194,000; Victory, $130,000—a total of $524,450. Each loan went over bigger than those preceding: a wonderful record.

The RED CROSS CHAPTERS played an important part in the home work of this district. Besides the great quantities of supplies shipped to national headquarters for general relief, the local organizations aided the families of men in the service, did civilian relief work, rendered valuable aid throughout the district during the influenza epedemic, furnishing nurses and supplies and emergency hospitals, and materially aided the government in the campaign for the conservation of food and resources. Campaigns for clothing for Belgians and French frontier children were also successfully carried out. A large number of comfort kits were made and given to departing soldiers and the local organizations forwarded many Christmas boxes to the men overseas. Scores of citizens helped in the activities of the Red Cross and the loyal members rolled up a record of which any district might well be proud. The officers of the Manor Branch were: Christ C. Walthour, chairman; Harry E. Cope, vice-chairman; Mrs. H. E. Cope, secretary; Miss Dorothy Wilson, treasurer. The officers of the Westmoreland City Branch were as follows: Mrs. J. A. Stouffer, chairman; Mrs. Thos. Smith, vice-chairman; Mrs. Albert Abram, secretary; Mrs. Wm. Astley, treasurer. The Harrison City Branch had the following officers: Rev. Daniel Gress, chairman; Miss Ella Love, vice-chairman; Mrs. Gertrude Newcomer, secretary, and Dr. J. S. Silvis, treasurer. The Penn Unit was one of the most active Red Cross organizations in the county and turned out a grand total of 7809 pieces of work during the period from July 1917, to February 1919, when the rooms were closed. The officers of the unit were: E. Virginia Rankin, president; Mrs. W. S. Peters, vice-president; Miss Lucy Weitz, secretary; and Mrs W. K. Hansen, treasurer.

The FOUR MINUTE MEN of this district were Howard H. Whitehead, Harry E. Cope, Christ C. Walhour, Calvin Morgan, Rev. Chas. L. Noss, Rev. Spiggle, Rev. E. H. Daugherty and Rev. Daniel Gress.

War Savings Stamps

At the beginning of the year 1918, Hon. James Francis Burke of Pittsburgh, Pa., was appointed Director of the War Savings Stamps Campaign for the nineteen Counties of Western Pennsylvania. He immediately appointed County Chairmen and at a meeting of these men held in Pittsburgh early in the Spring of this year instructed them that the Campaign was to be entirely educational and instructive in the way of Saving and Thrift. The Government intended to raise $2,000,000,000 through this channel.

Early in the Campaign it was apparent that the amount would not be raised without an intensive drive. A more definite organization would have to be effected in order to bring the matter more directly to the attention of the people. To this end Robert C. Shaw, Chairman for Westmoreland County appointed very efficient and influential directors for the twenty-three different townships. They are as follows:—Allegheny Township, H. S. Zimmerman; Bell Township, R. V. Hartman; Cook Township, J. O. Stough; Donegal Township, T. A. McLean; Derry Township, J. C. Giffen; East Huntingdon Township, Harry G. Brown; Franklin Township, James F. Torrence; Hempfield Township, J. Q. Truxal; Ligonier Township, Charles M. Shoup; Lower Burrell Township, P. M. Goodenow; Mt. Pleasant Township, Robert Ramsey; North Huntingdon Township, J. L. Ridinger; Penn Township, W. A. Kemerer; Rostraver Township, Paul R. Hoffman; Sewickley Township, C. H. Bolton; South Huntingdon Township, Oliver Bovard; Unity Township, Russell Sipe; Salem Township, James G. Cook; Washington Township, A. M. Shaw; Loyalhanna Township, A. W. Wilson; Upper Burrell, C. M. McElroy; Fairfield Township, S. T. Ford; St. Clair Township, J. T. Smith.

In addition to the above men, at the suggestion of the Government chairmen were appointed for the Industrial, Professional, Commercial and other organizations of the County. The name and organization follows;—Bankers' Committee, John D. Miller; Manufacturers' Committee, Seneca G. Lewis; Coal Operators' Committee, H. F. Bovard; Merchants' Committee, W. F. Euwer; Womens' Federated Clubs, Martha B. Steckel; Transportation Committee, William Snite; Postmaster's Committee, R. T. Hugus; Farmers' Committee, George S. Barnhart; Physicians' Committee, W. M. Horner; Traveling Salesmens' Committee, Fred L. Van Dusen; Telephone & Telegraph Committee, Fred W. Morgan; Schools' Committee, R. M. Steele; County Officers' Committee, J. B. Gallagher; Boy Scouts' Committee, J. Roy Zoellers; Speakers' Committee, Dr. W. J. McMichael; Publicity Committee, Dr. E. L. Nesbit; Church Committee, Dr. G. P. Atwell; Sunday-schools' Committee, John C. Silsley.

These men were summoned to the County Seat where plans were effected so that a working organization could be created in their local districts. An abundance of literature (posters and pamphlets containing information) was sent to every section of the County. The Postal authorities worked heroically in the distribution; the Boy Scouts added their energy and activity in putting up posters and placards and receiving pledges; the directors and their assistants were tireless in the work. They made a house-to-house canvas in order that the drive might be successful. Too much praise cannot be given to these truly patriotic men and women for their splendid efforts.

Westmoreland County's share of the $58,000,000 to be raised by the nineteen counties of western Pennsylvania was $5,575,000. This amount required a per capita pledge of $25.00. Pledges ranging from $5.00 to $1,000 maturity value came in thick and fast.

The teachers and pupils of the public schools played an important part in this drive in selling, purchasing and scattering information concerning the War Savings Stamps. Superintendent R. M. Steele of the Latrobe Schools was chairman of the Schools' Committee. Much credit for the success of the drive is due both teachers and pupils.

A distinct feature of this Campaign was the Pershing Limit Club. Since the National Congress in enacting the War Savings Stamp Law fixed the maximum purchase by an individual at $1,000 maturity value a special effort was made to secure as many members in this Club as possible. We are glad to report that 1006 members were secured, thereby raising $1,006,000. A very attractive pin or button together with a certificate of membership was awarded to each. This organization was named in honor of General John J. Pershing and is a permanent society.

The Campaign was handicapped in as much as it was conducted between Liberty Loan Drives and together with other War activities, and since the maximum purchase was fixed at $1,000 maturity value, whereby corporations and other organizations were prevented from buying Stamps in larger quantities. In spite of the adverse features the total sales exceeded $4,000,000 and Westmoreland County stood third in per capita sales and second in total sales of the nineteen western Counties.

Chapter XI.

TRAFFORD DISTRICT. The pictures and military biographies shown in this chapter are those of service men from Trafford, Delmont, Export, Murrysville and Newlonsburg.

When the United States was drawn into the devasting World War, the Trafford district was not only ready to give her sons and daughters to maintain the cause of Democracy and uphold the rights of her Country, but also gave as freely every other aid asked for in the same willing spirit.

Foremost is the outstanding record of the work of the various branches, auxiliaries, and units of the AMERICAN RED CROSS SOCIETY. Scores of men and women supported the organizations both financially and with personal service. The local work in the towns throughout this district was directed from the chapter headquarters at Greensburg. The officers of the Trafford Branch were: Dr. D. O. Todd, chairman; Elmer Henderson, vice-chairman; Mrs. F. L. Terry, secretary; Mrs. L. O. Pearch, asst. secretary; John Sloan, treasurer; Mrs. C. W. Faust, asst. treasurer. The executive committee consisted of O. M. Kimmell, J. C. Bair, Mrs. E. E. Hall and John Gorman. Elmer Henderson was chairman of the committee on civilian relief and the comfort kit committee was: Mrs. D. O. Todd, chairman; Mrs. E. E. Hall, secretary; and Mrs. C. W. Faust, treasurer. Through the courtesy of the school board the use of rooms in the high school and public school building were given gratuitously for headquarters and workrooms. Here there was much activity in the production of garments and supplies. The sewing, knitting, and surgical dressing departments were in charge of Mrs. Faust, Mrs. Nelson Clifford and Mrs. Hall. The production was 12 hospital sheets, 140 hospital shirts, 148 operating towels, 146 operating sheets, 42 draw sheets, 377 dish towels, 145 pajama suits, 145 bed socks, 106 property bags, 17 fracture pillows, 42 undershirts, 28 underdrawers, 12 table napkins, 38 wash cloths, 42 hospital bed sheets, 6 sponges, 350 comfort kits, 250 housewives, 90 pinafores, 10 triangle arm slings, 20 chemise, 19 house dresses, 44 doz. diapers, 48 infant dresses, 18 baby caps, 26 capes, 16 jackets, 134 pr. booties, 41 layette bags, 20 baby shirts, 151 sweaters, 26 mufflers, 28 wristlets, 287 pr. socks, 9 pr. stump socks, 530 surgical dressing pads (8x12), 5551 surgical dressing pads (12x24) and 68 heel rings. Delmont Branch had 789 members and this organization made a splendid record in the production department. The officers were: H. C. Waddell, chairman; P. R. Blose, vice-chairman; Nancy Walton, secretary; and R. B. Hezlop, treasurer. Mrs. H. C. Waddell was chairman of the work committee and Mrs. W. H. Painter, was chairman of the membership committee. These articles were made by the Delmont Branch during 1917-18-19 and sent in to headquarters: 368 hand towels, 344 dish towels, 86 hospital bed shirts, 49 draw sheets, 10 wash cloths, 25 knitted sponges, 13 pr. wristlets, 84 sweaters, 208 pr. socks, 17 scarfs, 2 helmets, 65 hospital bed sheets, 12 pillows, 1 layette, 2 comforts, 2 ambulance robes, 27 suits of pajamas, 63 operating sheets, 20 undershirts, 20 underdrawers, 50 housewives, 35 pr. bed socks, 40 pinafores, 20 dresses, 10 sacks, 10 jackets, 60 diapers, 55 booties, 9 hoods, 25 muslin shirts, 5 nurses' sweaters and 6 convalesent robes. The guiding hands of the activities of Export's Branch of the Red Cross were: Rev. J. S. Steele, chairman; Mrs. W. H. Scott, secretary; and H. D. Diffendorfer, treasurer. Murrysville's Branch was in charge of Dr. O. G. Hall, chairman; Miss Alice Stewart, vice-chairman; Mrs. C. W. Thompson, secretary, and Mrs. K. C. Sloan, treasurer. Regular meetings for work, were held by these branches and all finished articles were forwarded to the county headquarters.

The response of this district to the UNITED WAR WORK CAMPAIGN was unusually fine. Under the direction of J. C. Bair, chairman, assisted by J. W. Harless, Daniel Fundis, Mrs. H. Green, Mrs. Thos. Gamble, Mrs. Edward C. Himmler, Wm. G. Weston, O. M. Kimmell, Mrs. Geo. Geiger, Mrs. C. R. Blakely, Mrs. H. M. Miller, Robert Divens, and C. V. Lloyd, the substantial sum of $1094.00 was pledged.

And in the Y. M. C. A. drive the workers raised a total of $608.00; mostly in small subscriptions. Elmer Henderson was chairman of the committee and J. C. Bair acted as secretary.

The principal FOUR MINUTE MEN were J. S. Sloan, Rev. Thos. F. Walsh, Rev. Milton M. Allison, John H. Foight, Dr. E. L. Piper, Rev. J. C. Steele, George M. Fink, S. E. Stimmell, and A. A. Earnest.

In the five LIBERTY LOAN DRIVES, patriotic citizens of the district bought exactly $660,250; worth of bonds, distributed as follows: First, $13,200; Second, $46,450; Third, $173,950; Fourth, $267,350; Victory, $159,300. John S. Sloan, Mrs. J. C. Bair, H. Z. Lauffer and Dr. E. L. Piper were the local chairmen and their organizations' efficient work is reflected in the results.

Woman's Committee Council of National Defence

The first step taken by the Women's Committee of the Council of National Defense was through the Registration Department when it effected an organization that covered the entire county, reaching nearly every woman living within its boundaries. At first many women felt that while their country was at war it did not touch them personally, that there was little they could do to help, and that the important work could be carried on by those in closer contact with it. But they soon realized that there were things they could do. As the various meetings were held in their districts, their patriotism became keener. They experienced an awakened desire to be of service and to feel that they had a part in the war. This desire was so aroused in many communities that there was 100 per cent registration.

The plan which was so ably worked out by the county Director of Registration, MRS. GEORGE W. DAUM of Jeannette, shows what may be accomplished by thorough organization when directed with a high degree of intelligence and enthusiam. Miss Martha B. Steckel, County chairman, reported to headquarters that Westmoreland County had the proud distinction of standing in class "A" in registration. Westmoreland is a county having a large foreign-bred population and presented the same difficulties which were found in many other counties. The registration of women was larger than any electoral vote ever cast in the county. The method so successfully employed consisted in effecting a through organization one month before the two days officially designated as "registration days." This organization then carried on an active publicity campaign for four weeks and the preparatory work was so well done that on the two special days, 35,000 were registered. Publicity to the movement was given by Four Minute Men at theaters, slides at motion picture shows, speakers at meetings, newspapers, schools, churches, secret organizations, clubs, grange meetings, foreigners. Township directors held many meetings to which women were invited. They urged the point that the registration was an educational piece of work awakening women to a true sense of their duty. Chairmen were impressed not with the importance of trying to make all women register, but with the far greater importance of so arousing their patriotism that they could not be kept from registering.

Fliers and advertising matter were supplied each township director in sufficient quantity to cover the territory. They were distributed through the schools, churches, meetings, etc., The school superintendents explained registration to the teachers, asking them to help with the work and many of them took charge of their school districts. The newspapers did not miss a chance to help. A very capable publicity chairman was appointed who saw to it that every newspaper in the county was supplied with news. To sum it up, the drive or campaign of organization and publicity covered from six to seven weeks, leading up to two days of actual registration, which was taken in the school buildings. There were 150 precincts, and boroughs in the county and about 800 women participated in the work.

Thus was formed a strong body, trained and volunteer, eager to serve in a great cause, proud to be given a share in the defense of the Nation and ready to aid the Government not only to maintain civil morale, but also to fill the places of those gallant men who had gone forth to fight.

SOME RESULTS

100 Volunteer clerical workers.
5 Paid emergency teachers placed throughout the country.
50 Student nurses enrolled.
50 Industrial workers furnished for work on gas masks.
12 Homes offered for emergency hospitals.
90 Enrolled in classes in one township.

Files were used to recruit office help, paid and volunteers, teachers, nurses, factory workers, etc. Training classes in French and stenography established.

Eight students went to State College and afterwards gave their services in their respective communities. Food Train and other food demonstrations held. War gardens were a wonderful success; nine hundred war gardens in Greensburg alone.

Speakers' Bureau numbered twenty-eight active members.

"Over the Top" in all Liberty Loan drives and various war activity campaigns.

Took a census of the orphans after the influenza epidemic. The census revealed many urgent cases, but many homes were offered.

Rendered valuable service and co-operation through Department of Health and Recreation.

Twenty-seven nurses answered the first call and went out of the county. The Civilian Relief used files constantly for recruiting their nurses.

The work of the organization as a whole has resulted in bringing about a better understanding between widely different classes and nationalities, which cannot fail to result in better civic development in the future.

The guiding hands of the Women's Committee of the Counsel of National Defense and Committee of Public Safety, in whose patriotism and interest in the work, Westmoreland County may be proud, were as follows:

Mrs. Martha B. Steckel, chairman; Dr. Mary M. Marsh, vice-chairman; Mrs. S. W. Smith, vice-chairman; Mrs. J. Fisher Motz, vice-chairman; Mrs. Thomas S. Perkins, vice-chairman; Mrs. Isabella C. Chapter XII.

DERRY DISTRICT. The pictures and military biographies shown in this chapter are those of service men from Derry, New Derry, West Derry, Bradenville, Hillside and Millwood.

A record that stands without reproach was made by those who "carried on" at home in this district during the World conflict of 1917 and 1918. They gave unflinching support to all calls whether for money, materials or service.

The splendid branch of the greatest organization of Mercy the world has ever known—The AMERICAN RED CROSS—got into activity early in the war and was guided by competent leaders in Dr. C. W. Banks, chairman; Mrs. G. S. Kiner, vice-chairman; Nellie M. Bryson, secretary; and D. W. Yealy, treasurer. The Derry Branch held regular meetings in the parlor of the Y. M. C. A. building and workrooms were maintained in the high school building. Here all manner of supplies and garments were made up by the faithful workers and many women did knitting and sewing for the Red Cross in their homes. Units of the local branch were established at New Derry, West Derry, Bradenville, Hillside and Millwood and these organizations helped to roll up a record of which any community might well be proud. In amount of finished articles of comfort and service to the men "over there," the workers of the district stood among the first. Many subscriptions were made to the Red Cross War Fund and a total of $4013.74 was raised.

When the drive was made in 1918 for the UNITED WAR WORK FUND, the district responded with subscriptions amounting to $9263.03, going considerably over the assigned quota.

In the Y. M. C. A. drive for funds to conduct war work an equally fine showing was made and $1478.90 was contributed.

Although small in number the BOY SCOUTS did splendid service in the sale of the Liberty Loans, War Savings and Thrift Stamps, in war and farm gardening and the distribution of posters and literature.

The Derry district responded in a patriotic spirit to all calls for supporting the Government in financing the war. Each Bond issue was oversubscribed. D. W. Yealy was chairman and the executive committee was composed of J. W. Freeman, C. F. Young, S. F. Schwerdt and H. C. McDivitt. The subscriptions were as follows: First, $3,850; Second, $89,700; Third, $138,000; Fourth, $154,500; Victory, $174,500—a total of $560,550.

Dorsey Yealy was chairman of the FOUR MINUTE MEN. His principal speakers were George W. McWherter, Rev. J. C. Burnworth, Rev. W. H. Landis, Rev. Fred. L. Will, Prof. Frank Hartman, F. R. McNary, Dr. B. Hanghwant, James R. Mowry and Wm. T. Cruse.

Chapter XIII.

AVONMORE AND SALINA DISTRICT. The pictures and military biographies shown in this chapter are those of service men from Avonmore, Salina and nearby places.

While Avonmore's part in the World War was not so great as that of some of the larger centers of population she nevertheless showed her loyalty to our government and fulfilled her patriotic duty just as nobly as those of our larger towns. Whether for men or money, every call was answered.

As in almost every community the faithful women were among the first to get busy. A RED CROSS unit of 400 members was formed and, under the competent leadership of Mrs. Laura McIntire as chairman, Mrs. D. H. Slonaker as vice-president, Miss Dora Boden as secretary, Mrs. W. R. Bowman as treasurer, and M. A. Sutton and W. R. Bowman forming the executive committee, it accomplished a great amount of work. About $6000 in cash for this work was secured in various ways. 2164 garments were made including 757 knitted articles. Pupils of the Avonmore High School made and donated a fine ambulance robe and six layettes consisting of 228 pieces were made and donated by a club of young girls. Generous response was made to all special appeals such as Belgian relief and linen donations.

The Rev. Charles G. Mitchell and D. H. Slonaker were chairmen of the LIBERTY LOAN drives and were ably assisted by a corps of solicitors, Francis J. Kiab, William Goudy, Harry Whitesell, Thomas Adams, Howard Whitesell, David Fahnestock, Joseph N. Sauers, J. E. Dunn and Edw. T. Williams faithfully performed the duties of interviewing and obtaining subscriptions from the citizens of the community. The women's committee which did the greater part of the soliciting outside of the industries consisted of Mrs. John C. Crowley, chairman; and Mrs. James Ronian, Mrs. Joseph Shoof, Mrs. M. A. Sutton, Miss Emma Kunkle, Miss Florence Taylor, Miss Elsie Yockey, Miss Mildred Adams, Miss Bessie McLaughlin and Miss Aileen Johnson. These same patriotic workers formed the women's committee of the Council of National Defense and Committee of Public Safety. $328,500 was the total amount of money subscribed in the five government loan drives. This sum was accumulated as follows: First, $12,000; Second, $52,000; Third, $120,100; Fourth, $92,500; Victory, $51,900. In the Victory Loan campaign the women's committee, by securing sixty-six subscriptions totaling $16,050 was the first in the county to receive the banner awarded for doubling its sale of bonds over previous campaigns.

The WAR SAVINGS STAMP drive also received splendid support by the loyal citizens of Avonmore. Under the leadership of Francis B. Smeltzer, a total of $35,158 was invested.

D. H. Slonaker directed the campaign for the UNITED WAR WORK FUND. This drive was responded to most heartily and $2,575 was subscribed which was two and one half times the assigned quota for the district.

Dr. M. A. Sutton was chairman of the FOUR MINUTE MEN and the speakers were Howard Whitesell, Rev. Charles G. Mitchell Rev. R. N. Stumpf and Prof. E. B. Kline.

Salina (Bell Township) played well her part in the Great War. Of both men and money she gave liberally and unstintingly, being ready each time, when the call came, to pour all and more than was asked upon the alter of justice and humanity. The various LIBERTY LOAN drives were in charge of H. W. Whitesell, chairman of the men's committee and Mrs. R. Vincent Hartman, chairman of the women's committee. In each drive the community went "over the top." The results were as follows:—Men's committee, First and Second loans, $36,000; Third loan, $66,000; Fourth loan, $30,400 and the Victory loan, $25,250. The women's committee secured $11,950 in the third drive, $3,400 in the fourth drive and $17,050 in the fifth drive.

The Salina Branch of the AMERICAN RED CROSS was organized through the efforts of Rev. R. Vincent Hartman. The officers during the period of the war were Prof. James Hugus, chairman; Samuel Brown, vice chairman; H. H. Tusseg, secretary and B. W. Caldwell, treasurer. Under the leadership of Mrs. H. W. Whitesell and Mrs. G. L. Whitesell, the women of the community were organized for sewing and knitting. Hundreds of garments and knitted articles were made and forwarded to headquarters. The Salina branch of the Red Cross had a membership of 485 and in the two drives for funds with which to carry on the work, $3,403.00 was secured.

The WAR SAVINGS STAMP campaign in Bell township including Avonmore borough was in charge of Rev. R. Vincent Hartman who was assisted by an efficient committee of workers. The total subscriptions amounted to $74,050.00; the quota was $72,500.00, the township oversubscribing by $1,550.00. Salina had a part in raising war work funds for the Y. M. C. A. and gave to the extent of $1,500.00.

The organization of FOUR MINUTE MEN included Salina and Avonmore with Rev. Hartman as chairman assisted by Prof. Kline, Rev. R. N. Stumpf, Howard Whitesell and Prof, Hugus. These men used every opportunity to speak in the Avonmore theater, at churches, schools and all public gatherings.

Salina had sixty men in the U. S. Army, one man in the Navy and three men in the Marine Corps. Of these young men who gave their services to our country in time of need, four were called upon to make the supreme sacrifice and the names of Claude Rupert, Philip Welsh, Harry Gerheim and Ray Ewing will never fade from our grateful memory. Their bodies are lying somewhere in France and four white crosses bespeak the patriotism, loyalty and sacrifice of the people of Salina.

Four Minute Men

The functions of this organization were of considerable importance to Westmoreland County during the dark days of the war. It was charged with special duties,—the task of arousing and informing the people of the war activity campaigns, the Liberty Loans and various other drives, including food production and conservation.

Philip K. Shaner, a prominent attorney of Greensburg, was appointed chairman of the Minute Men from Westmoreland County. Mr. Shaner organized his men in each borough and township throughout the county in an educational campaign and the earnest, continuous, and self-sacrificing labor of these men constituted one of the great factors in the winning of the war. They delivered their messages in churches, theaters, schools, lodges, in the open air, and in any meeting place where they could obtain a hearing.

The local chairmmen were: Dorsey Yealy, Derry; John H. Foight, Export; Richard D. Laird, Greensburg; Rev. Samuel Blacker, Irwin; Prof. E. W. Long, Jeannettee; Thomas F. Whiteman, Latrobe; Howard H. Whitehead, Manor; Dr. Howard W. Day, Monessen; Joseph Wagoner, New Florence; M. C. Geary, New Kensington; J. S. Sloan, Trafford; John G. McCune, West Newton; Frank R. Bungard, Sewickley township; S. O. Hughes, Unity township; Rev. W. J. Witherspoon, Washington township; and B. C. Hull, St. Clair township.

The Four Minute Men, as a national organization, was disbanded on December 24, 1918.

Chapter XIV.

BOLIVAR DISTRICT. The pictures and military biographies shown in this chapter are those of service men from Bolivar, Robinson, Cokeville, Grays, Lockport, Livermore, New Florence, Seward and Torrance.

The part of this district in the World War was that of all loyal and patriotic communities of the nation. All calls were answered and both in man power and money the district stands on even terms or better with any other its size in the county.

Notably active and valuable were the four branches of the Westmoreland County Chapter of the AMERICAN RED CROSS SOCIETY located, respectively, at Bolivar, New Florence, Seward, and Livermore. While the men at the front were doing valiant service the men at home carried a goodly share of the burden of war and the women were far from idle. Enthusiastic groups of workers were always to be found at the workrooms of the Red Cross and many women and girls did sewing and knitting in their homes. Thousands of hospital supplies, garments, and surgical dressings were produced and shipped to headquarters for relief work. Particularly successful were the campaigns for clothing for Belgians and French frontier children and in all campaigns for membership and funds, these branch organizations more than reached their quota. During the influenza epidemic in the fall of 1918 the Red Cross played a most important part in meeting the emergencies and helping to wipe out the epidemic. Emergency hospitals were established throughout the district and the Red Cross was directly or indirectly connected with all of these, by either having complete supervision of the hospitals, or the furnishing of supplies and nurses where the hospital was under the supervision of some other organization. This work proved the value of the Red Cross in time of peace and was the means of saving many lives. Officers of the Bolivar Branch of the Red Cross Society were: John L. Rugh, chairman; Mrs. W. R. Armor; vice-chairman; Miss Vesta McKelvey, secretary; and Miss Emma McKelvey, treasurer. Those in charge of the branch at Livermore were: W. E. Coad, chairman; J. H. White, vice-chairman; Mrs. S. J. Fishell, secretary; Ethel Sherer, treasurer. The officers of the New Florence branch were: Dr. H. W. Tittle, chairman; Mrs. R. S. Wagner and Mrs. E. W. Clarke, vice-chairman; Mary E. Horrell, secretary and H. W. Schaller, treasurer. Those in charge of the Seward branch were: G. M. Rude, chairman; H. G. Dick, vice-chairman; Agnes Kerr, secretary; and C. G. Wagner, treasurer.

In the same patriotic spirit with which the district supported the Red Cross, it responded to the Government's calls to finance the war. In the five LIBERTY LOAN DRIVES $372.000 was subscribed. The record of how the district invested in bonds is as follows:

First Loan	62 subscribers	$ 25,000
Second Loan	148 subscribers	32,000
Third Loan	833 subscribers	110,000
Fourth Loan	404 subscribers	140,000
Victory Loan	390 subscribers	65,000
Total—		$372,000

The success of the Loan Drives was due to the untiring efforts of the chairman, and workers as follows: Bolivar—W. B. Hammond and Mrs. James McHail, chairman; F. J. Sutton, secretary; Mrs. C. W. Walker, Mrs. J. B. Burkett, Mrs. J. E. Snyder and Miss Dora Berkey, captain; Miss Ruth McHail, Mrs. Walker, Mrs. W. L. Himes, Miss Love Johnston, Mrs. W. M. Robinson, Mrs. James McHail, Frank R. Hammond, John L. Rugh, Jesse K. Johnston, F. E. Robinson, Garfield Hammond, David Kline, W. L. Himes, J. E. Snyder, Dr. L. J. Reese, George E. Treasure, Thomas McHail, John McHail, S. J. Humphreys, J. D. Pratt, Everrett Bennett, J. B. McCartney, Rev. N. B. Firestone, James L. McLean, John B. Burkett, Thomas L. Berkey, Dominick La Mantia, Louis Magnani, Ben R. Hebrank, John MacPherson, Thomas Cunningham, H. N. Byers, J. S. Miller, Thomas M. Gilpin, C. W. Hammond, L. H. Miller, I. L. Hammond, D. D. Krouse, F. X. Bradley, W. R. Armor, Dr. A. B. Krebs, W. M. Wynn, V. Markuzie, Joe Corvi, Louis Goblinger, S. J. E. Huston, Dr. R. M. Alexander, Ralph Robertson, Williard M. Robinson, Robert Long, Arthur McHail, James McHail, M. H. Gibson, and S. D. Antonio, solictors. The BOY SCOUTS in charge of Benjamin F. Hebrank, scoutmaster, and W. S. McClune, asst. scoutmaster, were active in selling bonds and stamps and the following scouts were given government recognition for their services: Vincent McHail, Kenneth Rugh, Edgar Rugh, George Long and David Robinson. The GIRL SCOUTS, under the direction of Mrs. Alice McClain, did excellent work assisting the women's committee especially during the Victory loan. High school girls also rendered valuable service to this committee. Over $5000.00 worth of War Savings Stamps and Thrift Stamps were disposed of by school children and Boy Scouts of Bolivar. The active Liberty Loan workers from Robinson were G. D. Sutton, James W. Huston, Charles Ayers, Joseph Walbeck and Robert R. Burkett. At Lockport the work was in charge of M. W. Stormer, M. F. Shoms, Hans Hoel, George H. Shomo, and S. J. Horrell. The Liberty Loan workers from New Florence were John F. St. Clair, George F. Mack, Samuel Mack and J. B. Mack.

James M. Trimble was chairman of the drives in New Florence.

W. B. Hammond was head of the UNITED WAR FUND drive in Bolivar and the splendid subscription of $2275.00 resulted from the campaign. A subscription of $209.80 was also raised for the SALVATION ARMY HOME SERVICE.

The Women and the Liberty Loan

The service given by the women of the Westmoreland County to the work of the Liberty Loans, under the direction of Mrs. Lloyd B. Huff, the county chairman, helped to write a splendid and historical record. In the Third, Fourth and Victory Loans, the able, tireless and devoted women raised over half of all subscriptions obtained throughout the county. Much of the success of the Woman's Liberty Loan Committee was achieved by the spirited co-operation of the borough and township chairmen and their efficient organization. During the Fourth drive their work reached its zenith when they secured 18,957 subscriptions totaling $7,430,600.

The Victory Loan was in a way a test of the abiding patriotism of the members of the Women's Liberty Loan Committee. The war had been won, the urgent pressure of war needs was no longer felt and it remained to be seen whether the devotion to country and to duty learned by the women during the dark days of the war would continue to inspire their service. It would have been pleasant for them to surrender their wills to the ease of life and to the opportunities of private advantage. But with enthusiastic spirit they carried on, selling $5,163,800 worth of the Victory Loan to 10,300 people.

The chairmen of the districts of the county were:

Chapter XV.

HERMINIE DISTRICT. The pictures and military biographies shown in this chapter are those of the service men from Herminie, Yukon, Arona, Middletown, Cowansburg, Darragh and Pillton.

Soon after the entrance of our country into the war, it had at its disposal two great armies—an army of fighting men and a financial army. Both armies necessarily worked together, or otherwise the war would not have been won. The Herminie district had a leading part in supporting both of these armies. It answered all calls and was represented by men in the various branches of the Army, Navy, and Marine Corps. And in the financial army it had a keen interest in seeing that its share of the monetary expenses of our victories were paid.

In the LIBERTY LOAN campaigns, loyal citizens of this district bought $623,200 worth of Liberty and Victory bonds. Five thousand three hundred and forty-four subscriptions were obtained during the drives, the amounts being: First, $13,550; Second, $78,300; Third, $219,000; Fourth, $215,850; Victory, $96,500. These amounts, however, do not include many bonds that were purchased by people in some parts of the district from their employers. If the records of these sales could have been added in they would make a very large increase in the figures. H. T. Knight was chairman of the loan committee in Herminie and Anthony Rodak was head of the workers in Yukon. As in everything else, the women did good work in all drives. In Yukon the women's committee composed of Mrs. Mary Edwards, chairman; Mrs. Agnes McKean, Mrs Rose Rodak, Miss Jennie Patterson, Miss Martha Sporch and Miss Margaret Reighansberger was very active and made an excellent record in the campaigns. Miss Reighansberger was awarded a helmet for having sold the most bonds and the other workers received medals.

As might have been expected, the patriotic women of the district were the first to take up war work and early in the summer of 1917, RED CROSS organizations were formed in Herminie, Yukon and Arona. These were at once enrolled as branches of the Westmoreland County Chapter of the American Red Cross Society and the membership increased by leaps and bounds. Work rooms were secured at each of these centers and great quantities of articles were completed, packed and shipped to headquarters. And the women in the towns and hamlets outside of these three centers were far from idle. They enlisted in the auxiliaries and units of the Red Cross and sent many finished articles to their branch headquarters. The Red Cross organizations made not only a wonderful showing in the production of garments and supplies and in caring for families and dependents of men in the service, but in campaigns for membership, funds, collections of clothing for refugees, etc., they more than reached their quota. A most valuable service was rendered by the Red Cross throughout the district when it gave of its resources to aid during the influenza epidemic in the fall of 1918. It established emergency hospitals, furnished nurses and supplies and materially helped in every way. D. A. Ireland, Rev. B. F. Bungard and Prof. G. C. Gressman served in turn as chairmen of the Herminie Branch of the Red Cross, and the other officers were: Charles Prosser, vice-chairman; Mrs. W. J. Latimore, secretary; and Mrs. Arch Bowman, treasurer. Mrs Latimore and Mrs. H. C. Hutton were in charge of the sewing room, Mrs. Bowman was head of the knitting department and Mrs. J. Anderson and Mrs. Harry Taylor conducted the work of making surgical dressings. The activities of the Yukon Branch were directed by: Rev. A. L. Medcalf, chairman; Rev. S. U. Waugaman, vice-chairman; P. V. Leadbeter, secretary and A. R. Roddak, treasurer. The officers of the branch at Arona were Mrs. Ralph Miller, chairman; Mrs. N. O. Shupe, vice-chairman; Minerva Miller, secretary; and Mrs. Frank Oplinger, treasurer.

Dr. W. J. Latimore, a well known and popular physican of Herminie was the local representative of the Selective Service Board and conducted the examinations of the men from the district before they left for training camps and stations.

The principal FOUR MINUTE MEN for the district were Dr. Latimore and Rev. B. F. Bungard of Herminie and D. R. Kimmell of Arona.

Chapter XVI.

NEW ALEXANDER DISTRICT. The pictures and military biographies shown in this chapter are those of service men from New Alexandria, Forbes Road, Crab Tree, Hannanstown and Luxor.

When the country was making preparation for the Great War, the towns composing the New Alexandria district felt the responsibility of their support to the utmost and stood ready to go "over the top" in all that was asked of them. They gave liberally of men, money and service and the district made a record equalled by few places in the county.

Nothing illustrates the interest and patriotic spirit of the citizens of the district, in contributing to the support of the war for humanity, more than the official figures showing the total results of the five LIBERTY LOANS. In the first drive the number of subscribers was 38 and subscriptions totaled $9,300. In the second drive 155 subscribers were obtained and $30,900 was pledged. In the third campaign the quota was $42,000 and $185,000 was subscribed; 1646 being obtained. The fourth drive was the banner loan. The quota was $75,850 and $227,550 was subscribed. The number of persons buying bonds was 1791. For the Victory loan the quota was set at $57,300 and the total amount subscribed was $135,300. This amount was taken by 1088 persons. The grand total was $588,400 and the success of the campaigns in this district was due to the efficient work in organization by R. A. Dormon, James H. Gallagher and S. C. Patterson.

The first steps toward the formation of a RED CROSS body in New Alexandria were taken on June 9, 1917. Thirty-five members were enrolled at this meeting and on June 18, 1917, the organization was accepted as a branch of the Westmoreland County Chapter. Enrollments came in rapidly and the Branch soon enjoyed a membership of 1105. A sewing room was secured where the workers met to make garments, knitted goods and various supplies. The number of articles credited to this branch of the Red Cross from August 10, 1917 to Feb. 22, 1918, were as follows: Sewing, 5089; knitting, 546; and articles donated amounted to 466 pieces. The first officers of the branch were: Mrs. Mary Mechling, chairman; Mrs. W. T. Jack, secretary; and Mrs. W. C. Latimer, treasurer. These were succeeded by Mrs. S. M. Steele, chairman; Mrs. Edward Seanor, vice-chairman; Mrs. John Gear, secretary; and John Brown, treasurer. The branch did not stop its workroom production at the signing of the armistice, but the earnest women continued to make hospital and refugee garments for months thereafter.

The FOUR MINUTE MEN for this district were James Gallagher, Rev. U. S. Greaves and James G. Cook. These men helped in the drives and various war activity campaigns, including food conservation and production.

Everything considered, from April 7, 1917, to the present day, no community in Westmoreland County can have more deserved pride in its patriotism and loyality than the New Alexandria district.

Compilers' Note

THE compilers of the book present it to the public after earnest effort to make it all that the name signifies. That it is not entirely complete, that some details may be lacking, that a few mistakes may have unavoidably crept in, we regret sincerely.

Six months of preparation, included in which was an exhaustive house-to-house canvass of Greensburg and surrounding communities, were spent before publication. Whatever may be lacking comes not from want of honest endeavor on our part.

No attempt has been made to glorify one name at the expense of another. By design, all have been treated as nearly as possible in the same way, a fact that may possibly be appreciated more sincerely by the service men themselves than by any others.

We offer our book in the sincere belief that it serves a useful purpose. We trust that it will be received by our friends in the same spirit in which it was compiled.
